

The Acadian

Vol. XL. No. 4.

WOLFVILLE, NOVA SCOTIA, FRIDAY, OCTOBER 15, 1920.

\$1.50, payable in advance.

Wolfville A. A. A.

Good Meeting of Local Votaries of Clean Sport

The adjourned meeting of the Wolfville Amateur Athletic Association in the Temperance Hall on Thursday night of last week, from the view point of business done, was eminently successful. Devotees of the "good old game" of Cricket predominated in the attendance, with those of Lawn Tennis coming next, while Baseball and Hockey were well represented. What would have enhanced the zeal of the promoters of "clean sport in Wolfville—and plenty of it"—would have been the attendance of the baseball and hockey players themselves. The better the sporting citizens know and understand those who seek to "put Wolfville on the map" by their skill and prowess in any branch of Athletic sport, the more generous and cordial will be the co-operation to promote the association's objects, and the players, realizing that their efforts and sacrifice are being appreciated, will be encouraged to strive with utmost vim and determination to win highest honors for Wolfville.

Unfortunately, Mr. H. W. Phinney was unable to be present, but Dr. C. E. Avery deWitt proved an efficient substitute. The report of the enlarged Constitution Committee was submitted and amply discussed, clause by clause, with the result that the whole constitution amended was unanimously adopted, and the officers in accordance therewith were elected as follows:

Honorary President—H. W. Phinney
President—C. E. Avery deWitt, M. D.
Vice-Pres.—W. A. Cole, M.A., Ph.D.
E. Percy Brown
Treasurer—J. Reginald Black
Secretary—M. J. Tamplin

Pursuant to the clause enacting that "the management be vested in an executive committee composed of the officers and two members elected by each club organized within the Association", the remaining members of the Executive will be elected by the Baseball, Cricket, Hockey and Tennis, to which may be added any other branch of sport, such as Bowling, Curling or Basketball, each of which would seem to claim a fair amount of attention among the membership.

The President, with the Rev. R. F. Dixon (Cricket), Dr. Gill (Baseball and Hockey) and Professor Balcom (Tennis), as colleagues, was appointed chairman of a sub-committee to draft the necessary Bye-Laws, Rules and Regulations to be approved by the Executive Committee. The annual meeting will be held on the third Tuesday in March. In the meantime a colossal task will tax the combined wisdom of the Executive to "lick things into ship shape".

The Secretary begged leave to explain that the item of \$21.00 credited to M. J. Tamplin in the balance sheet as published should have been "affiliation and registration fees, proportion of Valley League delegate's expenses to Truro, postage and sundry stationery incidental to the secretarial duties".

Guard The Children From Autumn Colds

The Fall is the most severe season of the year for colds—one day is warm, the next cold and wet and unless the mother is on her guard, the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose of the Tablets will prevent colds, or if it does come on suddenly their prompt use will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A CONUNDRUM

A prayer to the departed, a demand on the authorities, a call to labor, beseeching, peremptory, appealing. It appeared on the hem of her mantle in black and white with mural decorations, when the quiet hours of the fourth merged into the quieter hours of the fifth.

What interpretation? Whose mantle? Can ink enough be found for an answer?

Fatal Railway Accident

Kentville Man Meets His Death.

One man was killed and three others seriously injured when a Dominion Atlantic "double header" special freight train, was derailed a mile and a half from Truro, on Tuesday morning. Fireman Fred Yould, of Kentville, was killed and those seriously injured were Drivers Wm. Rawding, of Waterville and Thomas Walsh of Kentville, who were badly scalded and otherwise injured. Fireman Clarence MacMann, of Kentville, was severely scalded. The injured will recover.

Two cows were responsible for the derailment, which occurred near the Truro Golf Links. The train was a heavy one drawn by two engines, and on hitting the cows both engines left the rails, rolling down the embankment. Some of the cars were smashed while others left the rails. One of the engines was nearly buried in mud at the foot of the embankment. It is not unusual for cows to put trains off the track, as this has happened in Nova Scotia on several occasions.

Wrecking crews from both ends of the Dominion Atlantic service, aided by a heavy crane belonging to the Canadian Government road were employed all day clearing the track of wreckage. There was so much damage done to both engines that only a succession of miracles seem to have prevented the death of all the men comprising the engine crews. In making an estimate of the loss caused, a railway man put it at beyond \$75,000.

Porter's Garage had a booth at the exhibition at Kentville last week where Mr. John Calkin illustrated acetylene welding to crowds of interested spectators.

The Navy League of Canada will undertake a drive this month for some \$750,000, \$50,000 of this amount is what the Province of Nova Scotia is called to contribute.

The deciding game of the World's Baseball Series was played on Tuesday when the Cleveland Americans defeated the Brooklyn Nationals by the score of 3 to 0.

An October Wedding

Marriage of Popular Wolfville Girl.

One of the most charming weddings of the autumn season took place Tuesday night in the Baptist Church at eight o'clock when Elmore Blanche Eaton, youngest daughter of Mr. and Mrs. Lawrence Eaton was united in marriage with Edward H. Freeman, M. D. The church was appropriately decorated in autumn leaves and green foliage. Rev. Dr. MacMann performed the ceremony.

The bride, dressed in white (satin and trimmed in silver with conventional veil) and carrying white roses, entered the church on the arm of her father, preceded by the little flower girl, Mary Carry Freeman, of Halifax. Miss Jean Potts played the wedding march. The bridesmaids were Mr. Kenneth Eaton and Mr. Stewart Eaton of Canard. After the ceremony a reception was held at the bride's residence. Mrs. Eaton, mother of the bride wore a handsome gown of black satin and georgette. The going away gown was of broad white leather hat to match. The groom's gift to the bride was a seal coat. The bride, who is one of Wolfville's most popular girls, early made a name for herself as a most efficient nurse and supervisor. Dr. Freeman enlisted with the Imperials in the West and saw overseas service. Before enlisting he practiced his profession in Wolfville. Dr. and Mrs. Freeman left at once for Victoria, B. C., where they expect to reside followed by the good will and best wishes of a host of friends.

BIG DROP IN APPLE PRICES

Owing to heavy export of apples arriving in great Britain during the past few weeks, and there in a slack and otherwise bad condition occasioned by the unusual warm weather, prices on the local market have taken a serious slump. Apples received the last few days were 1 1/2 and 2 1/2 a 35¢ domestic, 20¢ to 25¢ to 30¢.

Hallows in Post Cards, 2 for 5 cents, at the ACADIAN store.

The Spirit of Acadia

Dramatized by Clever Wolfville Lady. Play Well Put On by Students.

The drama, "Acadia", by Mrs. Mary Kinley Ingraham, was given in College Hall, Friday evening, October 9th, under the direction of Miss MacChesill Deane. The audience was most appreciative. Miss Helen Starr, as the Genie of Acadia, charmed every one by her grace and by the dignity with which she interpreted her part. In the first act Acadia comes, a spirit just awakened, lovely, wondering, and half aware of her work and destiny. She knows only that the Truth called her, in answer to the prayers of the people of Nova Scotia. She is welcomed by Learning, Art, Science, Theology, Man, Woman and War. The Truth then enters, consecrates Acadia, and claims for herself the homage of all. For War she prophesies the gigantic struggle then seventy-five years away.

In the second act we see Acadia in sorrow, chiefly because of Penury, Sloth, Ignorance and Bigotry. She is cheered by Man and by all her votaries. In the third act Woman, after a spirited argument with Man, is admitted to Acadia. Then comes War. Mr. Albert Corey, dressed as a Greek warrior, was a real artist in his interpretation of this part. So was Mr. Bannerman, as Man, the Man of Acadia leaving Woman with her head in the lap of his alma mater, while he went out with War. The exit was stately indeed. Finally Acadia takes up her work again. Learning, Science, Art, and Theology arise from their knees at her command, Man and Woman join hands as equals in their submission to Learning. War is comforted, and Truth crowns Acadia.

Too much cannot be said in praise of the tableaux arranged by Miss Deane, and of the artistic effect of the costumes required under her direction. Miss Starr, as Acadia, was draped in the colors of the province, Miss Beth Bellard, as Truth, in white and gold, and Miss Pauline Parry, as Marion Grant, Misses Muriel and Clare Catten, Mr. Bannerman, Miss

Anniversary Service

An Interesting Sunday at St. Andrew's Church.

On Sunday last the services at St. Andrew's church were of a most interesting character, in celebration of the tenth anniversary of the induction of Rev. Mr. Miller as minister and the sixth anniversary of the opening of the new church. The church was artistically trimmed for the occasion with autumn leaves and potted plants and presented a pretty appearance. The new Book of Praise was used for the first time. Excellent music was furnished by the choir. At the morning service, Mrs. (Dr.) Thompson rendered a delightful violin solo and in the evening the congregation was favored with an exceedingly well rendered vocal solo by Miss Amy Prescott.

Rev. Prof. Falconer of Pine Hill College, Halifax, was the speaker at both services. In the morning his subject was "The Church of the Living God", and his sermon was most thoughtful and inspiring. In the evening, the text was "Be ye also perfect", he preached a most thoughtful and telling sermon which was much enjoyed.

The provincial general elections held in New Brunswick last Saturday gave the Government 23 of the 48 seats, the Opposition 13, the United Farmers' 10, and Labor 2.

Grace Stewart and Mr. Albert Corey, were appropriately draped as Learning, Science, Theology, Art, Man, Woman, and War, respectively. A strong chorus under the direction of Mrs. Hanna R. Gregory of the Seminar Staff, interpolated hymns and songs, suggesting the part of the chorus in the Greek drama. Miss Pauline Nelson directed the orchestra, composed altogether of Seminary students. The drama symbolized the spirit, the mission, and the work of Acadia, and was pronounced by one well qualified to judge, the best of our dramatic entertainments both in dignity and in beauty.
