Sewing Circle Gossip

There was some discussion at the Circle this week about buying coffee in bulk. It was found that the majority of our members had abandoned this practice and were now ordering LUXOR ORIENTAL COFFEE in one pound air-tight tins. These tins preserve the original strength and flavor of the coffee, so that it has the same delicious flavor and aroma a though it had just come fresh from the roaster.

Not only should the stables and mangers be kept clean, but it pays to go over the animals with the comb and brush. This not only improves the appearance, but the animal thrives better.

Eczema Covered Arms of This Healthy Child

Mrs. Alex. Marshall, Sprucedale, Ont., writes:—

Baby Marshall

"When my little son was three months old he broke out in sores on his chest and arms. We did all we could to heal those terrible sores, but nothing did him much good. Finally I ventured on a box of Dr. Chase's Ointment and kept on using it. At last we were rewarded by the steady healing of the sores, and finally he was completely relieved of them. He is now three years old, and has had no return of the trouble since."

EDMUNDSTON'S NEW SCHOOL

We give today what we believe is the first picture in a newspaper of Edmundston's new composite High School. This school, the picture of which is above, was formally opened in August of this year in the presence of a large number of distinguished guests including the Premier of the Province and other cabinet ministers.

It was built by our fellow townsman, the Hon. L. A. Dugal, and finished sufficiently to house the scholars the latter part of last season, but was not completely finished until shortly before the formal opening this summer. It cost to build, \$158,000, and the furnishings cost \$20,000. The monthly pay roll of the school amounts to \$2,375. The school faculty is as follows: Principal, Calixte Savoie; in charge of Vocational Training, Professor Martin Theriault; and the following teachers: Miss Annie E. Young, Miss Regina Martin, Miss Martine Hall, Miss Anna McLaughlin, Miss Catherine Hayes, Miss Greta Hayes, Miss Eva Levesque, Miss Therese B. Ruest, Miss Lilian St. Pierre, Miss Anna Daigle, Miss Euphemie Soucy, Miss Edna LeBlanc, Miss Petty Parker, Miss Yvonne Daigle, Miss Melani Daigle, Miss Della Theriault, Miss Anita Albert and five sisters of the Grey Nuns Convent, viz., Sisters Thomas, Ernest, Alexandrine, Floride and Marthe.

We believe that we have one of the best teaching staffs in the Province, as we undoubtedly have the best school building. And it will be remembered that one pupil this spring, Ben Fournier, led the whole Province in the provincial school examinations, capturing the Governor's medal by so doing.

The building is insured with the famous Hartford Fire Insurance Co. for \$85,000 and for \$50,000 in the Essex and Suffolk, this being placed through their local agent, J. B. Michaud, J. P. Two janitors are required to keep the building clean, their wages amounting to \$120 per month. It takes 150 tons of soft coal to heat the building through the winter. The Board of Trustees are J. B. Michaud, Chairman, Leon Belanger, Secretary, and T. M. Richards, Jr. There are 966 scholars attending the school. Edmundston is proud of its school, proud of its teachers, and proud of its children.

Here and There

The world's record for grain trains was shattered by the Canadian Pacific Railway on October 5th, with a monster train of 125 car loads of wheat, over a mile long, which operated between Stoughton and Arcola. The contents of the cars, 185,000 bushels, weighed 5,566 tons.

JOSEPH ANDERSON

On Oct. 23, there passed away at Deerville, one of the oldest pioneers of Williamstown in the person of Joseph Anderson, at the age of 82 years and five months. Mr. Anderson was an honest, quiet man held in high respect by all who knew him. He had been ill for about six weeks and left one brother, John Anderson, with whom he lived.

Joseph Anderson never married. During his illness he was ministered to by the family of his brother John. The Anderson family was one of the first families to settle in Williamstown (now known as Deerville), and there were eleven children born, and now only John survives.

The funeral was at the Baptist church, Lakeville. Interment at the cemetery there; service by Rev. Lee Good.

SAVED FROM PNEUMONIA BY VICKS

Nova Scotia Lady Secures Relief Overnight

Mrs. Charles Dornier, of 2 Ect. Queen Street, Amherst, Nova Scotia, writes, "I have had pneumonia for the last two winters and was on the verge of having it again when I thought I would try Vicks VapoRub. Before retiring for the night I rubbed it thoroughly on my chest and back and went to sleep, although I hadn't slept for three nights. In the morning I got up feeling like a new woman."

Dr. Osler says pneumonia has taken the place of tuberculosis as "Captain of the Men of Death," to use a phrase coined by old John Bunyan. And influenza is not far behind. The germs of both of these diseases are constantly with us. The only reliable protection against them is the resisting power which comes from good health. To avoid these dangerous diseases in winter, don't let yourself get run down and above all never neglect a cold. Break it up in its early stages with Vicks VapoRub, the external vaporizing treatment for colds. At all drug stores, 50¢ a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.
