#### A 50c. Bottle of Liquozone and Give it to You to Try.

We want you to know about Liquo-zone, and the product itself can tell you more than we. So we ask you to let us buy you a bottle—a full-size bottle— to try. Let it prove that it does what medicine cannot do. See what a tonic it is. Learn that it does kill germs. Then you will use it always, as we do, and as millions of others do.

and as millions of others do. This offer itself should convince you that Liquozone does as we claim. We would certainly not buy a bottle and give it to you if there was any doubt of results. You want those results; you want to be well and to keep well, And you can't do that—nobody can— without Liquozone. There lies the great value of Liquo-tiss the only way known to kill germs in the body without killing the issue, too. Any drug that kills germs ternally. Every physician knows that germ disease.
