WEDDINGS

SHERARD-MENZIES.

A very pretty wedding was solemnized in the Presbyterian Manse, Newcastle, on Christmas Eve, December 24th, when the Rev. L. H. MacLean united in the bonds of matrimony Mr. Osborne Sherard youngest son of Mr. and Mrs. Alexander Sherard of Boom Road and Mildred A. Menzies youngest daughter of Mr. and Mrs. F. A. Menzies of Whitleyville.

The bride looked charming in a gown of navy blue silk with colored trimmings and hat to match.

The happy couple were unattended. After the ceremony they drove to the home of the groom's sister, Mrs. Mark Sinclair of Strathadam where a dainty luncheon was served. The following day the popular young couple drove to the home of the groom in Boom Road where they will reside in the future. Mr. and Mrs. Sherard have many friends who wish them a long life of happiness and prosperity.

Price of Liquor

Advances

Everything is going up and along with other lines it is said that now the price of whiskey is costing four dollars per bottle with a prescription. This is the price which it is claimed is asked for in Fredericton. The new schedule of prices was not been issued by Rev. W. D. Wilson, the chief inspector under the Prohibition Act, but it is said that the retail vendors in the capital have advanced the price because they claim the St. John wholesale vendors have made a general increase of ten dollars per case.

Fredericton Jan. 7.—Rev. F. E. Boothroyd, secretary of the N. B. Temperance Alliance, at a meeting in Oromocto last night, announced that the referendum on prohibition would probably be held some time during the month of May.

Does It Pay to Tell the Truth?

Two years ago a young American made a daring journey with a motion picture camera into the musty archives of this nation and unearthed dramatic material that netted him a fortune. Not content to rest on his laurels, he took this well earned sum and put it back into a work that rips through world-old fallacies with the power of a human torpedo loaded with undisputable facts. The towering result of this combination of exhaustive research and enormous resources is

D. W. Griffith's Colossal Spectacle

INTOLERANCE

Or Love's Struggle Throughout The Ages

It is the most daring innovation in the history of drama since the time of the Ancient Greeks. It cost more than any ten plays you ever saw. There are 125,000 people in it, 7,000 horses and 1,500 chariots. The plot annihilates time and space. Four stories in different eras of the world's development merge into a mighty climax that keeps alive the hope of redemption in the heart of man and reveals the evolution of a thousand centuries.

SEE

Ancient Babylon and the Famous Feast of Belshazzar, Towering Walls and Hanging Gardens, Dances of the Orient in their luxurious environments, Judea and the Holy Land in its beautiful simplicity at the dawn of the Christian Era, Mediaeval Paris and the Court of Charles IX, with events leading up to the massacres of those stirring days, and then a Modern Story of Love and Adventure linked symbolically to these past ages in the most thrilling dramatic narrative ever conceived.

A NEW ART FORM THAT ILLUMINATES EVERY FUNDAMENTAL BEAUTY OF DRAMA, MUSIC, LITERATURE AND PAINTING. IT IS PRE-EMINENT BECAUSE IT TRACKS INTOLERANCE TO ITS LAIR AND BARES TO TELL THE TRUTH.
