

CANADA.
The price of wheat is declining at Quebec. It can now be had at \$1 a ton.
Mr. Wm. Frazar, a pupil of the St. Catharines Collegiate Institute, has been awarded the Gilchrist Scholarship.
The school trustees of St. Catharines have decided to increase the salaries of the teachers in their employ.
The people of Exeter are trying hard to have the first and of the London, Huron & Bruce Railroad turned in their village.
Alfred Boyd, a brakeman employed on the Grand Trunk Railway, was instantly killed at Exeter Saturday while coupling the engine and a freight train.
The total loss of shipping occasioned by the recent storm which passed over the Lower Provinces, is estimated at two hundred thousand dollars.
A most severe hail storm passed over Collingwood on the evening of the 18th inst. Some of the hail stones measured an inch and a quarter in diameter.
On Saturday the trustees of Geophis ratified a by-law granting the sum of \$30,000 towards the erection of a central school in the town.
Lord Gordon, who had returned after the recent trial of the American officers for kidnapping him, was recently captured by Manitoba detectives, and is now in goal in Winnipeg.
The latest number of the *Canadian II* includes news of a contract of the Pacific Steam Navigation Co. with the Government, for the purpose of carrying the mail between Vancouver, Seattle, and Astoria.
It is said that when the Hon. John Carling was up in factious, a few weeks since, advocating L. H. & L. bonuses, an old farmer rather staggered by talking with him, and said to him: "As Mr. Carling says so much of bonuses, perhaps he'll tell us something about the *Pacific*." *Editor.*
The Mitchell *Advertiser* tells of two men who were present carrying the "load" in the village. One is an English barrister and the other a B. A. of St. Andrew's University, Glasgow. They decline to go back again to the old country, as some others have recently done, but have preferred to sell all their lands, their houses, and the rest of their belongings into something better than a pig.

VINEGAR BITTERS.
Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California. The medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieve Constipation or Indigestion of the Liver and Visceral Organs, in Bilious Disorders.
The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Nutritive, Stimulant, Tonic, Diuretic, Sedative, Counter-Irritant, Solutiva, Alterative, and Anti-Bilious.
Prepared by Dr. J. Walker & Co., San Francisco, California.
Solely sold by Druggists and Dealers.

BROKEN HEAD.
When passing over Graham's hill a pale wan man was seen, Crouching among the little's flowers, And angry was his mien. The moment that he heard my step, He turned on me quite bold, And then into my willing ear, Did his sad tale unfold. I bought a pound of Tea, he said, When I went into town, And as I came up Graham's hill, My Tea it all went down. I went straight home unto my wife, My loss she did deplore, And said that into town again, She ne'er would trust me more. She said I knew the Tea had strength, Through twenty bags 'twould go, And had I the Tea securely wrap'd, 'T would not have happened so. He paused, the tears streamed down his face, His bosom heaved a sigh, And then he said with a bowed head, To gather the Tea I'll try. He tried, he tried and tried again, Then looked quite sad at me, And begged that I'd lend him the price Of another pound of Tea. I said I'd lend him just the price, If on me he would call. He said he guessed he'd rather not, For he bought his Tea of Ball. I handed out the cash at once, When he went on his way. I met this sad, yet pleasant man Again on Saturday. I told him that he looked quite spruce, 'T he had much improved, He looked, and as he caught my eye, I saw he was much moved. Dear sir, he said, he took my hand, My wife and I are both content, We've had our cup of Tea, A cup of Tea is our delight, We love 'em above all. We got the Tea to suit our taste It gives us a flavor too, It makes us feel quite strong, Then said the thing that charmed their hearts.
Was the pleasing kettle's song, And now, kind friends, my story's done, I ask you one and all, When'er you chance to pass his way, To give a call on Ball.
