Manager.

FRIDAY, MAY 1, 1908.

THE ATTACK ON MR BRODEUR.

Opposition organs of the unsuspect ed impartiality of the Mail and Empire figure out that the civil service report is a condemnation of the Minister of Marine and Fisheries, and sign. The Toronto News goes its senfor colleague one better by saddling Mr. Brodeur with responsibility for the existence of a patronage list, and then declares that there has been a! patronage list ever since there has been a government at Ottawa.

When Mr. Brodeur took over the

department some two years ago he found that things there were not running satisfactorily. Two courses were open to him. He might have taken closure the manager said: "The necesmatters into his own hands, summar- "sity of these notices was forced on ily dismissed the officials at fault, appointed new ones to their places "had no alternative, owing to the and re-organized the department conditions of the rail market and Supposing Churchill went down in would have drawn upon him an as- "ed for to materialize" ing it to party friends. That the ofpensed with them would have been more than ordinarily bitter

This course Mr. Brodeur declined to take. Instead he frankly told Parliament was disorganized and unfitted for doing proper work and that he
