FRORRHEA AGAIN!

Frorrhea is so insidious that we want to repeat again and again our former warnings against it. It is not painful as a rule, and that very fact makes it all the more dangerous. Watch for those bleeding gums, they are your warnings. Do not give your body a chance to absorb poisons that come from bad teeth or diseased gums. Anything from a headache to a serious illness may result from your neglect. Frorrhea is a dreadful disease.

HUNDREDS of MEN ARE NOW WEARING BENGALINE TIES.

And why not? When men first heard we were selling Ties for 50c they doubted. Thought they were old stock—shoddy material—a catch somewhere. They didn't expect to get a Tie for 50c that would outlast a \$1 Tie. They got a surprise—so did we; we sold them by the dozen on Saturday. There are still some choice Japanese patterns left—a windowfull.

PELLY'S BRICK

Has been used in the erection of every brick building of any importance put up in Newfoundland since the Great Fire of '92. Each brick has our name stamped on its face. We regularly supply the Dominion Iron and Steel Co., and the Anglo-Nfld. Dev. Co. Have been doing so over 20 years.

C. A. M. PELLY, George's Brook, Bonavista Branch, Nfld.

When you think of it—it's all rather wonderful—the ability to take two pieces of glass—stirring them together with a piece of gold wire and bring perfect sight to some unfortunate who has weak, twitching eyes.
