FALL IMPORTATIONS!

J. CHARLESWORTH & Co.

44 YONGE-ST., TORONTO.

WE have the pleasure of informing our customers and the Trade generally that we are now in the receipt of our Fall Importations, and are showing a full assortment of **NEW GOODS** in each Department.

Having taken advantage of the late depression in the Manufacturing districts, we have been enabled to secure **Cheap Lines** in almost every **Class of Goods**.

We would call the especial attention of our friends to several large lots of **Plain and Fancy Winceys**, which we think particularly good value.

Our Stock of **Fancy Dress Goods, Shawls, Hosiery, Cloves, & Fancy Wool Goods**, will be unusually complete.

We would also mention as worthy of notice **Plain and Fancy Flannels, Blankets, Mantle Cloths and Trowsers**.

We have imported a more **Complete Stock of Staple Goods** than we have hitherto offered, and feel confident in making an early inspection.

Our stock will be kept assorted by weekly arrivals of New Goods during the season.

TELEGRAPHIC NEWS.

(BY ATLANTIC CABLE)

LONDON, Oct. 8.—As the time for the election of the members to the new Parliament draws near the interest and excitement in the canvass increases. Many boroughs that have heretofore been hopelessly Tory are now contested by the Whigs, who are counting on the favourable effects of the Bill for increasing the number of voters, and the other Liberal measures passed by the last Parliament. In four of the boroughs workingmen's candidates have been brought forward; the prospects of their success are very favourable. The election of the Right Hon. E. Gladstone, in Lancaster (South), is generally expected, but he will unquestionably be chosen for Greenwick a strong Liberal district, where he is also a candidate. With one or two exceptions the Liberal candidates oppose the Irish Church Bill.

MADRID, Oct. 8.—Gen. Prim was received in this city with unbounded enthusiasm. The crowd in the streets were so great that many people were crushed to death. Deputations of various Spanish cities—foreigners, soldiers, sailors and citizens—escorted him to the capital.

The Provisional Junta has issued a decree reducing by one third the tariff on all imports. Don Juan, cousin of Queen Isabella has resigned his pretensions to the throne of Spain in favor of his son Don Carlos. Gen. Pavia suffers severely from his wounds, but his condition is improving and it is thought that he will recover.

A Mr. Ferguson, of Chicago, challenges any man to a shooting match at eighteen yard distance. He does not care what sort of a weapon his competitor shoots with, but he himself will shy a quail. Thirty balls against thirty quails.

ISABELLA'S RETREAT.—The Castle of Pau, which has been assigned by the Emperor of the French, as a residence for the exiled Queen of Spain, is the town of Pau, the capital of the Department of the Basses Pyrenees, lying on the Spanish frontier, so that Isabella could pass conveniently and speedily over the borders if she thought her presence in Spain again desirable. It was built in the 10th century, rebuilt in the 14th, and enlarged in the 16th. It was repaired and renovated in the reign of Louis Philippe, and has again been restored. It is one of the summer resorts of the present Emperor. Al- del-Ekder stayed there as a captive during the reign of Louis Philippe, and now the latest fugitive of the Bourbon race finds in it a shelter, and, in the meantime, a home.
