A HOUSERIOLD REMEDY.—No family should be without some efficacious remedy for the cure of affections, so universally prevalent, as coughs, colds, sore throat, whooping-cough, and croup—some remedy, too, which can be relied upon as safe, sure and certain. Dr. Wistar's Balsam of Wild Cherry combines this desideratum.

this desideratum.

The relaxing power of Johnson's Anodyne Liniment is truely wonderful.

Cases are already numerous where bent and stiffened limbs have been limbered and straightened by it. When used for this purpose, the part should be washed and rubbed thoroughly. Apply the liniment cold, and rub it in with the hand.

Iment cold, and rub it in with the hand.

The extraordinary effect of Fellows' Compound Syrup of Hypophosphites is due to its power of imparting the vital principle to all constitutions impaired by wasting or debilitating maladies. It is acceptable to the palate, and suitable for all ages and constitutions. The blood is restored to purity and health, the nerves and muscles are strengthened, while tuberculous or consumptive deposit is retarded.

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the best satisfaction. It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray and brashy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard. Our Treatise on the Hair mailed free; serd for it. serd for it.
