CALGARY LOST OUT IN 15 INNINGS GAME

The Best Baseball That the Fans Ever Saw in Edmonton—Geehan Walked in Run

Edmonton, May 16.—Edmonton and Calgary played fifteen strenuous innings to a tie today, until in the latter half of the 15th. Geehan, pitching for the Cow-punchers, lost the game to Edmonton by walking two men when the bases were full, forcing in the winning run. The game, which was the opening of the season in Edmonton, was the most spectacular ever played on the home diamond, and lasted three hours. Edmonton started off in the lead, scoring one in the first when Olson got a hit on an error and stole second, advancing on fielder's choice and scoring on Lussi's bingle. They scored again in the fourth when Lussi singled, stole second, got third on a wild pitch of Geehan, and scored on an error of the catcher.

Calgary got two in their lucky seventh when Smith and Flanagan scored. Smith made a three-bagger to left and scored on the pitcher's wild throw. Flanagan was forced to third when Stanley walked and scored on Geehan's fly. Edmonton made the winning run when Mills got first on fielder's choice, and stole second, and Olson got first on an error. Baxter walked, filling the bases, and Lussi walked, forcing in the run.

Paddock is on the Way

President Sam Savage received a message from Vancouver that Paddock, the new Carney pitcher, left yesterday for Calgary, and will be here today. He will remain here until the season begins again on Saturday, and will probably be in the opening game. Paddock is described as a high-class pitcher who does things rather leisurely. He is a good swatter and has had lots of experience in the outfield. He will probably work in the outfield when Carney needs a man there.

Good Game Between Intermediates

In a keenly contested game in the Intermediate league yesterday evening at Victoria park the Cubs defeated the White Sox by a score of 3 to 2.

The game was recently contested throughout, the White Sox leading at the start. In the fourth, however, the score was tied and from that to the end the Cubs scored four more runs, while the White Sox only got one. The following is the score by innings:

Hans Wagner Not Badly Hurt

Pittsburg, Pa., May 16.—Captain Fred Clarke of the Pittsburg team tonight issued a statement as to the cause and extent of Hans Wagner's injuries, which he said was warranted by many rumors and false reports in the matter. In the last game here with Brooklyn, said Clarke, "Wagner slid into third base and his shoulder came into contact with McIlwain's foot. The top of the shoulder was bruised and the hurt is a painful one. A slight cold aggravated the soreness and stiffened the muscles. Wagner wanted to try out, feeling he would not do himself justice, but I prevailed on him to remain at his post. Then he and Miller cooked up the exchange of positions to make Wagner's work lighter."

Zbysoo Defeated Rollet

Buffalo, N. Y., May 16.—Zbysoo won the first fall in his match here tonight in one hour and five minutes, and the second fall in 1:40 in his match with Dr. Rollet. Dr. Rollet was injured.

THE YOUNG CALLES WON SOCCER GAME FROM Y. M. C. A.

The Game Was Fair in Spots, But Not Up to Much.

In a rather tame game of soccer last night the Caledonia Intermediate team defeated the Y. M. C. A. eleven by a score of 1-0.

The game was a City Intermediate league fixture, and in spots the play was good, but for the greater portion of the game it was sloppy and the men handled the ball like novices.

In the first half the Y. M. C. A. did not shine in any particular way, while the Calles were strong offensively to score, only getting one shot in with telling results.

In the first-half Stanley Jackson, the referee, gave the Calles a penalty and another in the second, but they could not score on them.

The only goal scored was from a scrum on a cross, by Spalding. The majority of the Y. M. C. A. team was the right back, who time and again made some great saves. The Calles did not shine in any particular way, with perhaps the exception of Jimmy Hals, the goal keeper, who had one hard one to stop and did the necessary in great style. The Calles time and again passed up good opportunities to score, and showed lack of team work.

Of the whole game there was only one class of play that can be commended on with favor and that was the tackling, both teams showing up well in this department.

The teams lined up as follows:

Calles—Goal, F. Hals; backs, Mason and Cowe; halves, Miller, Johnson and Ogilvie; forwards, Espin, Bennett, Havarr, McLeod, and Spalding.

Y. M. C. A.—Hamilton, Kent, Neil, Willis, Avery, Ramsay, Davis, Neale, Brooks, Scammell and Andrews.

Hillhurst Team Tonight

The Hillhurst team to play against the City tonight at Mewata Park in the senior league game, will be selected from the following players: Boothman, Ross, Cooper, Jenkins, A. Wakely, Ward, Allan, McKinney, Nuttall, S. Wakely, Stewart, McEwan, and Fullerton. All the above mentioned are on the team, but on the ground ready to kick off by seven o'clock sharp.

HORSE BREEDERS HOLDING IMPORTANT MEETING TODAY

A Great Loss of Young Colts This Spring Causes Meeting

There will be a meeting at Didsbury horse breeders of the districts between Aldridge and Red Deer. There has been a great loss of young colts this year, through premature birth, and the object of the meeting is to discuss the question and try to find out the cause and if possible a remedy.

Dr. Clark, M. P., Hon. Duncan Marshall, minister of agriculture, the assistant veterinary surgeon from Lethbridge and a representative from the Alberta Horse Breeders' association will be present.

Dr. Clark recently consulted the Dominion government chief veterinary surgeon on the subject, and will give the result of his inquiries to the meeting.

It is said that similar conditions prevail in other parts of Alberta, and that the farmers of the province have suffered very severe losses this year. It appears to have been common with both range mares and those that were stabled and fed.

Lack of sufficient water in a dry season will cause the trouble, but this could not have affected those animals that were stabled and watered regularly. However, as a large attendance is expected at the meeting, the question will be discussed from many different standpoints, and it is hoped the real cause may be determined.

RICKARD CHOSEN FOR THE BIG BATTLE

But It May Be Some One Else Yet. Mr. Johnson Was Vexed With Mr. Berger

San Francisco, Cal., May 16.—Tex Rickard, associated with Jack Gleason in the promotion of the Jeffries-Johnson fight, and who came into prominence four years ago when he engineered the Gans-Nelson fight at Goldfield, Nevada, was today elected to referee the fight between the two heavy weights on July 4th at Emeryville.

In accepting the place, however, the Nevada promoter made it clear that he would step aside if Jeffries and Johnson agreed on another man. This settlement came when it looked as if the meeting would end in another deadlock and after bitter words had passed between Johnson and Sam Berger, Jeffries' manager.

Johnson first suggested Rickard, but Berger refused to consider Johnson, saying he would not accept him on account of his inexperience.

The colored champion said he would stand on the three men he had mentioned, Jack Welsh, Eddie Graetz and Rickard.

Berger indignantly replied that he would have the meeting "then been a further clash between Berger and Johnson. Berger stood up, as if to leave.

"So you want Rickard, do you?" he queried of Johnson.

"Yes," came the reply.

"Well, all right," replied Berger, and the crowd broke into a cheer as it realized that one of the difficult points had been settled.

Rickard made the following statement:

"To straighten out this affair I am willing to act, provided my name is agreeable to all concerned. I don't want to act and I hope before the fight takes place that Jeffries and Johnson will agree upon another man. If they come to terms I am perfectly willing to step down and out, but if they can't reach an other agreement I will not back down."

In spite of the agreement there is a feeling among those who attended the session that the last word has not been said and that the referee question must again be taken up.

It was rumored tonight that, to give the "big fight" everything its proper ending order, Rickard was named until the contestants could think over it.

Some Heated Argument

Just before the compromise was reached Berger interjected that:

"I'll give and hit that black man," at the same time applying another epithet besides black.

This remark was carried to Johnson who warned Berger never to call him that name again.

Berger denied he had said anything of the kind, but Johnson's followers declared he did say "hit that black man."

"You're just an educated dog," said Johnson to Berger. "Now, come out and fight if you want to. I'll give a thousand dollars if you will come right out with me and so three rounds."

They were finally quieted and the session was resumed. At the start of the meeting Berger again named the five names he wanted—Eddie Smith, Billy Roach, Charley Epton, Phil Wand and Johnny Hergen.

Johnson refused to name any and said he would stick to them. He intimated further that he would allow no one, not even the promoters to do the selecting for him.

All sorts of suggestions were suggested. Berger said he would be willing to have the sporting editors of the five San Francisco newspapers name the referee, to act in conjunction with the two promoters.

Bout Takes Place Next Tuesday

All arrangements are now completed for the boxing contest between Rod Standon and Billy Lauder, which will take place on Tuesday morning next in an arena built on the heights back of Hillhurst.

The main event will start sharp at 11:15, while the first preliminary between Young Smith and Billy Reid, both well known in Calgary.

The big event will be staged within three minutes' walk of the end of the street car line in Hillhurst, just at the top of the hill and to the right, being nearer the city by about half an hour's walk than the previous contest.

Lauder and Standon are working hard, each doing a lot of road work in the morning, and working out with the bag and sparring in the afternoon.

Lauder is in the pink of condition and has put up the fastest article of fistic display that has yet been seen in Calgary. As for Standon he has up to the present shown good in his work on the heavy side, but in the Scotchman a hard run for his money.

Both Lauder and Standon extend an invitation to the public to watch them spar in the afternoon. Lauder will be found at the Hillhurst fire hall and Standon at the east end fire hall.

The Rites

The following are last week's scores of the Calgary rifle club. Saturday was a very rough day, windy and very darty, but considering the weather, very good scores were put on. F. W. Herring winning the spoon in class A, and F. Kaye in class B.

Next Saturday the "Daily Mail" or Empire Day Cup will be fired at 200, 500 and 600 yards. This competition is between all rifle clubs all over the province on British soil. Canada does not have as good a chance as Africa, Australia or East India, this being our worst shooting weather, the countries named having their fall or heat or shooting conditions. All members are requested to turn out and practice for this competition.

Notes of the Pugilists

Pat Moore of Philadelphia, has called off his bout with Frank Conley at Vernon, Cal., on June 4. Moore is going to stay in the east and fight Jim Driscoll.

Johnson may enter the ring at 200 pounds. He now weighs about 218 and says he will remove those eighteen.

Corbett, when he arrives at Rowardennan, will likely ask for more heavyweights. Corbett wants to annex Al. Kauffman, Tony Ross, Jim Flynn and all the other unattached heavies in the game to give Jeff plenty of rough work.

Jack Jeffries is now boxing with his brother Jim. Jack is much heavier than the former champion.

Jeffries now weighs approximately 227 pounds.

The promoters of the Jeffries-Johnson fight are extending a special invitation to ministers to attend the battle.

Bob Armstrong, who is boxing with Jeffries, says the white can hit just thirty times as hard as the negro.

Jeffries says that one good blow to the jaw will settle Johnson. Jeffries will rely upon his left in the fight as his right arm is not so sure.

John L. Sullivan will review the training camps in about two weeks.
