Later.-The probability is that the pro-Later.—The probability is that the pro-tocols for the raising of the blockade which has been maintained by England, Germany and Italy against Venezuela for more than a month will be signed by Minister Bowen and the representatives ening trouble in Parliament for a very prominent official in England if the request is denied.

General Sir Ian Hamilton, speaking last night at Birmingham, aid that the volunteer movement in Canada was largely due to men who obtained their inspiration from England's volunteers. Every lad volunteering showed a realization of Imperial responsibilities.

The English army needed the development of individuality.

DEATH FROM ESCAPING GAS

Minister Bowen and the representatives of the allied governments here today. Every indication points to that end, Minister Bowen had a very busy day yester-day, conferring with the English and Italian ambassadors and the German minister regarding various features of the protocols, with the result that they are practically in final shape. They will provide for the raising of the blockade at once for a cash payment of £5.500 to each of the three allied Governments, and for the payment to Germany of 1,700,000 bolivars in five installments, less the bolivars in five installments, less the £5,500 paid in cash. The first installm of the 1,700,000 bolivars, or \$340,000, is to be paid on March 15. The protocols will also provide for the reference of the question of preferential treatment to The Hague, although it is understood this loophole in the event that it is desired to settle the question without such reference. For the payment of claims of the allies, Mr. Bowen has arranged to begin immediately the setting aside of 30 per proposed. The first receipts set will be those for the month of the the funds will be retained in the ch. The funds will be and will be paid. custody of Venezuela, and will according to arrangements that may

appeared at Mr. Bowen's hotel with his entire staff yesterday, prepared to put the finishing touches on his protocol. Venezuela's representative felt impelled to tell him, however, that Germany had insisted on receiving all the amount asked for in her ultimatum. The ambassa dor then cabled to Rome for further instructions. It is not known whether the Italian Government will now come forward with a request for increased cash payment, but in view of the increasing dissatisfaction of Great Britain with the course pursued by Germany, it is believed the latter will induce Italy to yield.

The Alaskan treaty will enable Great stricts boundary demands without bringing down on the head of the British foreign dary demands without bringing down of the head of the British foreign for the head of the British foreign on the head of the British foreign for the head of the British foreign of the head of the British foreign dary demands without bringing down as he proposes.

Ex-Representative Chandler, of Sault Ste. Marie, is doing some effective lobbying against the bill. He asserts that the American demands were just and would eventually have to be acceded to, but she wants the treaty, because she will be able to shield herself behind it and ward off criticism at home.

SMALLPOX REGULATIONS It is discovered that the text of the

treaty is based on the text of the boundary proposition submitted by the American members of the joint high Unvaccinated Children Cannot Attend commission to the Canadian members at the last sessions of the commission in Canada, and by them rejected. Great Britain knows this fact, and is
