Heintzman @ Co PIANOS

Have won first place through merit alone in the hearts of the music-loving Canadian people, being unequaled in singing quality of tone, brilliancy of touch and genuine durability and artistic construction. They have taken more gold, silver and bronze medals, first prizes and diplomas than all other Canadian pianos put together.

Remember

that a so-called cheap piano proves to be a dear piano, consequently a very unsatisfactory one. Buy only a HEINTZMAN & CO. PIANO and always be satisfied.

DON'T be misled by what some UNSCRUPULOUS AGENT will tell you, but call into our warerooms, 217 Dundas street, corner Clarence street, and see for yourself. Kind and courteous treatment extended to all, whether you want to buy or are just looking around.

Special For February

We are offering for \$285 a beautiful French Burl Upright Piano, Weber, 7 1-3 octaves, 3 pedals, Colonial design, full music desk, and all the latest improvements, payable \$6 per month until paid. This is an exceptional offer, and for this same quality of Piano of ter dealers in London will ask you from \$350 to \$375.

Old Instruments Taken in Exchange and Full Value Allowed.

Second-hand Organs from \$10 and upwards, payable 50c a week until paid.

A Beautiful Rosewood Piano, 7 1-3 octaves, guaranteed 5 years, at \$100, payable \$3 per month.
