Eller twice ran the distance in 2 1/5 seconds. The men, from left to right, photographed as they cleared the last hurdle are J. Eller, Robert Eller and L. Lovell. They finished as named.

LAST RESPECTS TO DEAD PLAYER

Murdered Albany First Baseman Fol-
lowed to Grave by Many Friends.

Wilkesbarre, Pa., July 19.—All the members of the Albany, Binghamton and Wilkesbarre baseball teams of the New York State League, together with representatives of the other teams in the league, attended the funeral here this afternoon of Arthur Brown, the first baseman of the Albany team, who was murdered in Albany last Thursday night by John V. McSweeney, an Irish henchman.
The Albany and Utica game scheduled for today was postponed in order to permit Brown's team-mates to attend the funeral, while the Wilkesbarre-Binghamton game here was postponed for an hour so the players could be at the funeral.
Messages of condolence and flowers were received from every team in the league, and from many players in other leagues, while hundreds of Brown's friends from this city and vicinity attended the funeral. The Rev. R. B. Webster, of the Presbyterian Church, officiated, and the Masonic order had charge.

A. A. U. INVESTIGATING.

New York, June 19.—Following the insistent rumors that certain track and field athletes have been receiving illegal expenses for appearing in some of the spring games, James E. Sullivan, secretary of the A. A. U., today called upon the registration committee to make a thorough investigation.

FORMER TWILER STARS AT TRAPS.

Columbus, Ohio, June 20.—Lester German, a former New York baseball pitcher, led 122 trap shooters today in the preliminaries to the Grand American handicap events. Out of a possible 200 he missed three. C. G. Spetner was second with 191, and H. H. Steven and J. R. Taylor tied for third place with 189 each.

In the amateur events J. R. Graham was first with 180 out of 200; J. S. Young was second with 188.

RAN ONE, TWO IN WENTWORTH

Priscillian Equalled World's Record in
Hamilton's Feature.

Hamilton, Ont., June 19.—August Belmont's Priscillian and Watervale ran one, two, in the Wentworth plate, the feature event on the card at Hamilton today. Sempronius finished third. There were only four starters.
Priscillian was an added starter and was coupled in the betting with Watervale at the prohibitive price of 1 to 8.
Priscillian made the six furlongs in 1:11 flat, equalling the world's record.

MURPHY-M'FARLAND BOUT IS ASSURED

Promoters Plan to Stage the Fray in
Milwaukee, July 4.

Chicago, June 19.—Packer McFarland and Harlan Tommy Murphy, the eastern lightweight for ten rounds, is the card that Tom Andrews is trying to land for his big show in Milwaukee, July 4. Andrews declares the bout is practically assured. Because of the great number of battles scheduled for Independence Day, the boys may clash on another date if articles are signed.

O'BRIEN TO THE RING

Promoter Can't Stage Bout—Will
Fight on His Own Hook.

New York, June 19.—Philadelphia Jack O'Brien, now that the boxing game has been killed in Philadelphia, as he says, proposes to want to get back into the mauling end of the sport. Jack insists that he is far from a dead end, and that he can't wait for a fight with Jim Smith he wouldn't ask for a cent.

SALMONVILLE WINS.

Salmonville defeated Bryanston, 1 to 0, Saturday in a fast soccer match played at the winners' field Saturday. Mr. J. Riddle, of Devils, officiated as referee, and W. Ardell as timekeeper. The teams' lineups were composed of the following players:
Bryanston—W. Kimball (captain), E. Morrow, C. Kimball, P. Billie, H. McClurg, W. Needham, J. Beattie, B. Woods, N. Parkinson, E. Coleman, M. Hindson.

Salmonville—W. Salmon (captain), W. Fallon, E. Salmon, C. Hurlbert, J. B. Reilly, W. James, R. McVey, George Hobbs, W. Weir, W. Berryhill, H. Marshall.

BOSTON HAS SIGNED JIM DONAHUE.

Boston, Mass., June 19.—The Boston American League team has signed Jim Donahue, captain of the Manhattan College team of New York. Donahue is an infielder and comes to the team highly recommended. Several scouts for other major league teams were after him, but he chose Boston. Good judges say he is one of the best college players in years and predicts a brilliant future for him on the diamond.

MEXICAN PETE KNOCKED OUT.

San Francisco, June 18.—Mexican Pete Everett, one-time opponent of James J. Jeffries, was knocked out here last night in the second round of a four-round fight by "Gumbo" Smith.

SOUTH ATLANTIC LEAGUE FINISHES ITS FIRST SEASON.

Atlantic City, June 18.—With a record of 45 games won, as against 21 lost, the Columbus team won the pennant in the South Atlantic League for the first season, which ended with today's games. The second season of the league will start Monday.

The winner of the first season pennant will meet the winner of the second season to decide the championship of the league.

IF GOLF IS ANCIENT GAME, WHAT DO YOU CALL POLO?

THE CHINKS PLAYED POLO WHEN CONFUCIUS WAS A KID.

Some folks have a habit of digging up cold facts when arguing. For instance, historians delight to prove that new things were known to the Chinese before they were known to the rest of the world, whenever we get cheery. An instance of this is shown in the above reproduction from a Chinese painting reputed to be 300 years old, showing future mandarins playing polo. The Chinese mallet resembled our hockey club, and their mounts may have been Tartar horses, although the ears lead to another opinion. The man near the ball is trying a back-hand stroke, while the players on the left, in white, are trying to "ride off" their opponents. So the Meadowbrook and Hurlingham poloists needn't feel that exclusive feeling yet too strong.

HORACE FOGEL IN DEAL WITH REDS

President of Phillies Says He Wants
Beck, of Cincinnati.

[Canadian Press.]
Cincinnati, June 20.—President Horace Fogel, of the Philadelphia National League club, and President August Herrmann and Manager Clark Griffith, of the Cincinnati team, had a long conference yesterday in Herrmann's office, during which a prospective deal was discussed from every angle. President Fogel said that he had come here to see if he could secure Outfielder Fred Beck from Cincinnati, and that he had offered the local club a pitcher in return for this player.

PROTECTING ORIOLE PATRONS.

Baltimore, Md., June 18.—Because Manager Hal Chase and Shortstop Knight, of the New York Americans, did not accompany the team that came here today for a game with the Baltimore Eastern League club, Manager Dunn, of Baltimore, declared the game off. A big crowd journeyed to the Back River grounds in the hope of seeing the Highlander regulars in action.

RACING IN FRANCE.

Paris, June 18.—The Grand Steeplechase de Paris, which was run today at the Auteuil track, proved to be one of the most brilliant events in recent years. Additional interest was created by the presence of three English cracks in the race—Moonstruck, Wickham and Mount Prospect's Pride, which, however, was unplaced.
The winner of the steeplechase turned up in Edmond Vell Picard's Blagueur II, at 3 to 1 in the betting. The same owner's Cheshire Cat was second, and James Honnessy's Lutteur II, third. Blagueur showed magnificent form, and ran in the lead practically from the start. He finished eased up, four lengths in advance of Cheshire Cat.
Lutteur II took third place by a bare half-length from Eugene Piller's Hypnos.
The Grand Steeplechase de Paris is at four miles, half a furlong, and was worth this year \$27,600. A trophy valued at \$2,000 also goes to the winner.

LANGFORD BACK; HAS SEVERAL FIGHTS ON.

Chicago, June 19.—Sam Langford and his manager, Joe Woodman, arrived in Chicago from Winnipeg, Langford is wearing a regular Johnson smile in anticipation of several good matches. One is with Jim Smith, at Tom O'Rourke's club, June 29. Ogden, Utah, wants Sam to meet two men there July 14, while Winnipeg wants him to come right back and meet some clever men there July 15.

With the Trotters

Paprika, that won the German Derby, worth \$7,500 to the first horse, is by Alzone, a son of the old Michigan trotter, Akzon.
Wilmington is trotting miles in 2:17 so handsly that they look for him to figure in the 2:11 stake at the blue ribbon meeting.
Bill Andrews has dropped Soprano down to 2:14, and she did it nicely. She will have to race in the 2:09 race to stride with Joan and Penita Maid.
August Belmont intends to breed one of his best thoroughbred mares to Peter the Great. It is a shame to waste the fruit of this popular horse in such a manner.
March McKen (2:08), that Havas Times will race in the 2:09 racing events, is said to be a picture horse. He is a roan, with full white legs and a blaze face.

Walter R. Cox has a high opinion of the new World's Fair, which is the side-wheel division of The Horseman's Futurity at the state fair grounds at Detroit. Just now, Ed Logan, being trained by Shank, looks to be the best of the field.

NEW RECORD ON MOTORCYCLE.

London, June 19.—While practicing today for a motorcycle race, which is to be held at the Isle of Man in July, Jake Derosier made a circuit of 38 miles in 42 minutes. This is a new record.
