OUTLINES CHANGE ASQUITH MAY MAKE

Daily Chronicle Says Ulster Will Be Given Protection—Home Rule of Own.

[Canadian Press.] London, March 2.—Commenting on Premier Asquith's promise to introduce the Irish home rule bill for the last time with a statement of what concessions the Government is inclined to make to Ulster, the Daily Chronicle says the Cabinet will not consent to the dismemberment of Ireland but will propose that education and licensing remain under imperial control as already provided for in the case of the police, for a period of six years.

Postoffice Unchanged. The newspaper says also that the post-office will remain under the Imperial Parliament; that provision will be made for a board of patronage so as to insure that all public appointments will be made on merit and not on a sectarian basis; that the Ulster members of the Irish Parliament will have a right to veto legislation inimical to Ulster's interests and that Northern Ulster will be included in the Irish Parliament from its inception, but with the right to withdraw from it by a plebiscite in five years.

Within a Fortnight. Should the Opposition reject the above offer the Daily Chronicle says the Government will proceed to pick up a crank.

CAR AND MOTOR COLLIDE

Normal and "Buzz Patrol" Crash at Carling and Richmond Streets.

Turning sharply from Carling street on to Richmond street, in answer to a call, the police motor patrol, driven by P. C. Walsh, rammed Normal car No. 64, south-bound, about 10 o'clock last night. The car, which was in charge of Motorman Westman and Conductor Newell, was moving at a fair rate of speed and the crash did not see the patrol until the two conveyances came together with a crash.

The big motor suffered little from the collision but the street car was not so fortunate. The glass in the windows of the front vestibule was broken while the fender was bent and twisted. The car was ordered to the barns for repairs. The motor proceeded to pick up a crank.

HAY BECOMES DEARER SUPPLY BEING SMALL

Eggs, Butter and Other Produce Remain Firm in Price.

The market today was small, although the roads are reported as being good in all parts of the country. Hay was sold at an advanced price, the supply being scarce. Try This Home-made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix two cups of granulated sugar with 1 cup of warm water, and stir for 2 minutes. Put 2½ ounces of Pinex (fifty cents' worth) in a 16-ounce bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else ever used. Usually ends a deep-seated cough inside of 24 hours. Spleenitis, too, for whooping cough, croup, chest pains, bronchitis, and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.

This recipe makes more and better cough syrup than you could buy ready-made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gualacal and all the natural pine elements. Other preparations have proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equaled.

A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get for you. If not send to The Pinex Co., Toronto, Ont.

prices. Trading in options was fairly heavy, and while sentiment is generally bullish, fluctuations during the greater part of the day were erratic. The news from India is of a more bullish character. Some damage reported in the winter wheat states was an influence in hardening prices. Wheat opened ¼¢ lower for May and July and closed ¼¢ higher for all months.

The cash demand for wheat continues good, but offerings are practically nil and export inquiry inactive.

Oats were in fair demand and cash flat was steady. Cash wheat closed unchanged to ¼¢ lower for contract grades. Cash oats closed unchanged to ¼¢ higher. Cash barley closed ¼¢ higher for all grades. Cash flax closed unchanged.

Inspections Saturday numbered 233 cars against 357 last year, and in sight were 489.
