General King Declares Horses and General Horsemanship Are Still First.

Expressing his satisfaction on the A. Verses splendid showing of the officers and F. Johns men of the First Hussars, who as- J. sembled for inspection at the armories last night at 8:15. General King, D.S.O., C.M.G., general officer com-D.S.O., C.M.G., general officer com-manding military district No. 1, com-H. Astin plimented the troops on their excel- A. Hynes lent performance.

General King said that he hoped

General King said that he hoped the near future would bring a larger government grant, which would enable the regiment to be brought from half to full strength. He knew that the hearts of the officers and men were in their work, eise they would not have shown the improvement evidenced by the last few months training. The general urged the men to ing. The general urged the men to keep a pal in mind for the time when recruiting would again be carried on, so that they could bring their friends n when the time arrived, adding that H. Smith he hoped that next year he would have the pleasure of meeting the same men again. Creighton In conclusion, General King emthat service is senior in Canada, and wood devices which catendary branch of Hey.

Three rousing cheers for the general were then given.
Following General King's address,
Lieut.-Col. I. Leonard, who commanded the Light Horse overseas.
Total manded the Light Horse overseas.
spoke to the officers and men of the
First Hussars, complimenting them
on their splendid turnout.
The inspection included manoeuvers. Two squadrons, A and B, were
moved in section and troop formation.

After the inspection

cal devices which entered into mili-ary matters, horses and horseman-

After the inspection the roll was called.
The following officers were present:

London cafes and restaurants in the way of supplying special fish dishes for the day, the private householders have observed the day to some extent. The national fish day was inaugurated with the idea of making sea fish popular with the people living in the inland provinces and has been in existence since the middle war years.

It is stated by some of the fish men that the day has been set too late in the season and that by this time most people are tired of eating fish. They believe that the moved above.
