ing the enemy's position at Laing's Nek.

The name of our new possession is the Orange River Colony. We do not anticipate that there will be much trouble an thoroughly pacifying it. Now that the proclamation has been issued, all Boers in the field have become rebels.

THE CONSTITUTIONAL ISSUE. ,

On March 5, Senator Macdonald brought up in the Senate the political situation in British Columbia, and there will do to show how completely untrust was a little debate, in the course of worthy Mr. Martin is upon any question tice, said: "There is no doubt of this, the Governor who dismisses his ministers and appeals to the country takes his life in his hands. The responsibility is with him. The result will be nothing of the kind will happen. Mr. determined by the people of the prov-ince." Referring to the dismissal of any man be more unsafe as a leader? Mercier in Quebec, Senator Mills declared that such an act ought to be followed by an immediate appeal to the people, and characterized the four months' ple, and characterized the four months' delay in that case as "wholly contrary to the matter of the Darcev Island leners."

| Commons to represent us at Ottawa. Price in Comox, has declared himself day attacked him, when, as every Colombo to common the matter of the Darcev Island leners. delay in that case as "wholly contrary to the matter of the Darcey Island lepers. We are not going to comment upon the absentees to be strenuously opposed to Mr. Martin, nist reader knows, this paper has treated Bryden was known, esteemed and trustanything known in British history." In British Columbia the delay has not been quite four months, but the principle is the same, because we have had for three months, and will have for some time yet, taken charge of lepers from Prince Edmonths, and will have for some time yet, a government carrying on affairs without a data of the business for a government carrying on affairs without a data of the same? Is his its readers that it is a newspaper. It is organize the house and pass the address. Which he was elected, and one reference the carry twenty opinion that he ought to have remained at Ottawa attending to the business for ward Island, Nova Scotia and Manitoba, of satisfaction. It may be, as alleged, organize the house and pass the address. claim is "wholly contrary to anything have categorically refused to do the known in British history." Col. Prior same for this province. The governace on that there is not the categorically refused to do the remaining at Ottawa for all they can accomplish. On this point we will make brought the question up in the House of Commons on the following day, and as a result Sir Wilfrid Laurier dealt with it perhaps generally understood that the encourage the hope that our representain a general way. He did not employ the Dominion, by the terms of Confederatives can do very much for us. Mills, but he was equally emphatic. He at Tracadie, N. B., and that this was not only British Columbia alone, but the said that the matter was in the hands of the people of the province. "If they not in any way affecting the responsition of the Lieutenant," and the Lieutenant, and th approve of the action of the Lieutenant of the Lieutenant of the provincial governments to attend to sanitary matters within their of the question. If they disapprove and of the question. If they disapprove of the action of the Lieutenant of the Provincial governments to attend to sanitary matters within their that may be in power at Ottawa. Unintensity of the provincial governments to attend to sanitary matters within their the opposition will call issue before the great political issue be of it by returning a house of assembly, the province does not rest upon any party lines that unity of action between the collapse of the Semlin party. Of the the majority of which is opposed to the present government, the Lieutenant-Governor will be found to have taken a very

anguage used by his colleague, Senator tion, assumed control of the lazaretto An urgent question of the time is how serious step."

We draw special attention to Sir Wilfrid's language. The condemnation of the Lieutenant-Governor will be the electric are of by the local authorities. Why serious step."

anxious not to embarrass the ministry, and the opposition members have quite a contrary object. This pleases the government well enough, for the small government on the question.

Martin. He did not say what they and the opposition members have quite a contrary object. This pleases the government well enough, for the small government on the question.

The Lieutenant-Governor will be the electric acase of the Semlin government on the supporters of the Semlin government on the want of confidence only ten are candidates, while of those who voted that it is his intention, if elected, to support Mr.

We pointed out yesterday the inconsist-ency of Mr. Martin on the question of Britain will tell France that she must In 1896 Mr. Martin was a candidate for the House of Commons in Winnipeg and the members of the Trades and Labor Council put a few questions to him. Two of these are of special interest just now. We quote them:

Of the Peninsular war. This is only a vague expression, and we presume relatively stronger is what is meant, for at any time during the past twenty-five years the naval and military power of Great Britain has been stronger than any time during the past twenty-five years the naval and she members of the Trades and Labor Council put a few questions to him. Two of these are of special interest just now. We quote them:

Of the Peninsular war. This is only a vague expression, and we presume relatively stronger is what is meant, for at any time during the past twenty-five coal lands. He opened the ball at Victoria with this, if we may be allowed to find with house. We have no fault to find with a wague expression, and we presume relatively stronger is what is meant, for at any time during the past twenty-five years the naval and military power of the Minister of Agriculture 19 shillings, expenditure 19 shillings, expenditure 20 shillings, expenditure 20 shillings, expenditure 20 shillings, expenditure 20 shillings, expenditure 19 shilling and 6 pence—prosperity; income 20 shillings, expenditure 19 shilling and 6 pence—prosperity; income 20 shillings, expenditure 19 shilling and 6 pence—prosperity; income 20 shillings, expenditure 19 shilling and 6 pence—prosperity; income 20 shillings and 6 pence—bankruptoy."

This report is from the Times, which implement to the find with a wague expression, and the members of the Trades and Labor the manufacture of the Sunday and the members of the Trades and the members of the Trades and Labor the manufacture of the Sunday and the members of the Members of the Sunday and the members of the Members of the Sunday and the members of the Members of t "Are you in favor of constructing and the close of Wellington's famous camformidable thing as then presented. It The Colonist's report was briefer and "Are you in favor of constructing and operating the Hudson's Bay railway as government work?

"Are you in favor of the government would thave repaired. It was simply that Mr. Martin "spoke the woul

He has an amusing the community will believe that such a greater part of the session. Of our The most sanguine individual will not representatives in the House of Commons, one has resigned and three others whatever of being elected in Naraire. representatives in the House of Come of the House of Commons, one has resigned and three others are at home. Thus we have one senators and Mr. Radeliffe, the opponent of Mr. Tomons to represent us at Ottawa, he is a government supporter. Make

popular sanction, and this we may justly as well as from New Brunswick, they

respective jurisdictions. The case of Under present conditions, so strict are legal claim upon the Dominion, but only the representatives is difficult to bring should fish be made of one and flesh of figure anyway. The whole country from re-election. We cannot have any strong-

tenure of office. But Sir Wilfrid disposes of this and tells the public that it is immaterial what may be the fact of Mr. Semilin, it is the fate of Mr. Martin to which the Ottawa cabinet will look in judging what ought to be done with the order accession to office. Thus we have before us in this election a square issue in the persistent shirking of it is not creditable.

Semilin, it is the fate of Mr. Martin to which the Ottawa cabinet will look in judging what ought to be done with the order accession to office. Thus we have before us in this election a square issue in favor of the Dominion assuming the order of the polisition of the Lieutenant-Governor. If we condone that act at the polis by returning Mr. Martin with a majority, the incident will of course be-closed, but if we defeat Mr. Martin, the Lieutenant-Governor shares the defeat and its consequences with him.

Siltile reason for surprise that many prices in store for individual candidates. They must be an independent. He is a far the love and loyalty shown by Canada to the His OHANGED TUNE.

Schealing the dare not get upon and training to be an independent. He is a far title for a fining to be an independent. He is a far the love and loyalty shown by Canada to the His OHANGED TUNE.

Speaking in this city on January 23, 1859, at the time of the bye-election, Mr. Martin is independent. He is a far the love and loyalty shown by Canada to the love and loyalty shown by Canada to the love and to the form of the love and loyalty shown by Canada the dare not get upon and the loyalty shown by Canada to the love and loyalty above the politics are inclined to doubt the expediency of giving party distinctions as familiar vith the disease, than is possible and the future as they of the form of the future as they of the Martin, the Autorney-General in favor of the Dominion assuming the office. Thus we have been condition of things would be satisfactory enough be the first in main title intended to doubt the expension of the Lieutenant-Governor. If we condon that a

any government aid should be given as of the world where its services are likely was keen. Just try and fancy how you bridges, provided that in every case the and there is no fight to be made here. ish Columbia to go to Tracadie!" You The War.

Probably by this time our forces have occupied Pretoria, and President Kruger is a refugee from his capital, having is ar refugee from his capital, having is an open content of the government aid should be given as a bonus or subsidy.

It will be observed that in his first about the same reason I am not in favor of the government aid should be given as a bonus or subsidy.

It is not likely that any would feel yourself under similar circumstances. Suppose you had dany to understant the cumstances. Suppose you had sprung the provided that in every case the money necessary to pay the interest and there is no fight to be made here. Surpose the money necessary to pay the interest and there is no fight to be made here. Surpose that he is such a strictly of money necessary to pay the interest and there is no fight to be made here. Surpose that he is such a strictly of money necessary to pay the interest and there is no fight to be made here. Surpose that he is such a strictly of money necessary to pay the interest and there is no fight to be made here. Surpose that he is such as surgest that he is imported by additional travation of the government aid should be given as a bonus or subsidy.

Was keen. Just try and fancy how you would feel yourself under similar circ unstances. Suppose you had what you thought was an unanaverable case, and then suppose that he is money necessary to pay the interest and shuld in connection with the loan shall be provided by additional travation of the government aid should be given as a bonus of the would fine your deferences. Suppose you had what you thought was an unanaverable case, and then supposed the time of the provided by additional travation of the government aid should be given as is about the reconstitution of the government and there is no fight to be medea. If the money necessary to pay the interest and shall be provided that in every case the last i

South African campaign stronger than them. The Sun points out that from his most intimate political friends to the mecessary loans, It is intended to handle future of the Dominion depends.

South African campaign stronger than the mecessary loans in the mecessary loans in the mecessary loans in the mecessary loans.

The south of the Empire, and it would be to avoid the contraction of unnecessary loans

Spain which were on their way to the Philippines.

The Japanese undoubtedly believe that they can beat the Russians, if they can ight this summer, and if, with England's capped himself from the very outset.

The Japanese undoubtedly believe that they can beat the Russians, if they can compel France to remain neutral. Should their expectation be fulfilled, Russia's southward expansion would probably be deterred for many years, for the Japanese would not be not reason why any newspaper should decline to print reports of Mr. McInnes' speeches, and that is that there is always available so much matter of greater at every stage. His best friends but would reassert their title to the Liao-Tung Peninsula, which they won from I China, but of which Russia deprived them.

The Japanese undoubtedly believe that the Colonist is too self-sufficient for anything of this two self-sufficient for anything of this affail to publish what he says, and we take this means of showing what an absurd person he is. There is only one reason why any newspaper should decline to print reports of Mr. McInnes' speeches, and that is that there is always available so much matter of greater value. In an evil day—that is for him self—Mr. McInnes conceived the idea that the Colonist is take this means of showing what an absurd person he is. There was one occasion on which he refrained from doing this, nature, and the result was that he handicapped himself from the very outset.

The province cannot afford to entrust its affairs to a man with so little good for the print reports of Mr. McInnes' speeches, and that is that there is always and we take this means of showing what an absurd person he is. There was one occasion on which he refrained from doing this, nature, and the result was that he handicapped himself from the very outset.

The province cannot afford to entrust its affairs to a man with so little good in the take this means of showing what an absurd person he is. There is only one careful to avoid any such remark or very the slightly and

entirely alone. As he has entered the place in the legislature, it is now proper

McInnes is that, with all his boasted courage, he is in point of fact cowardly. He has not dared declare himself upon the great political issue before the tionally he gave himself away on Satur-
