

Tees Stranded On Trial Island

Well Known C. P. R. Liner Meets Disaster Early Saturday Morning.

Hard and Fast on Reefs Near South End of the Island.

Passengers Are All Sent to William Head Quarantine Station.

(From Sunday's Daily.)

The C. P. R. steamer Tees, Captain Hughes, from the northern coast of British Columbia, struck on Trial Island shortly after midnight Saturday morning.

The spot where the Tees went on in the east side of the island, about opposite the northern end of the shore from the Vancouver island and of Trial Island.

The following is the list of the Tees passengers: First class—F. E. Treedy, H. Thompson, H. T. Logan, J. B. Brown, F. George Macdonald, D. Chisholm, J. Howard, J. Macdonald, E. G. Johnson, Thomas F. Macdonald, J. B. Brown, J. B. Brown.

The Tees is a steel vessel of tonnage 800 and displacement 1,200 tons. She was built by Messrs. Richardson and Duck at Stockton-on-Tees, England, in 1888.

The night was beautifully clear and bright, the sky being unclouded and the moon shining brightly in the east.

The Tees was proceeding direct from the north to Victoria without the aid of a pilot.

The news of the accident was brought to the city by the steamer Charmer, which sighted the Tees on the morning of the accident.

THE WEEK'S MINING

By H. M. L.

The results of the second run in the high-grade deposits that give such satisfactory results since the season of 1901, when enormous deposits of placer gold were discovered.

Among the latest registrations at Vancouver, B. C., is the Kamloops Mine, Ltd., with a capital of \$100,000.

Summary of the season's mining operations: Total quantity of water used, 127,083 cubic yards.

Gravel from third bench, 50,700 cubic yards; Gravel from main bank, 44,000 cubic yards.

Total quantity washed, 572,000 cubic yards; Average duty of water per miner, 2.92 cubic yards.

The report of the Cariboo Consolidated Mining Company for 1903 has just been received.

In ports of mining machinery work in Canada during 1903 were very large.

Most of the machinery imported was supplied by manufacturers in Great Britain.

According to a report received from the Cariboo Consolidated Mining Company, the value of the machinery imported was \$1,200,000.

Fight With Desperadoes

London Ontario Detectives Attempt an Arrest and Foot Fight Ensues.

In Fullblast one of the Bandits Is Shot Dead and Police Has Close Call.

Supposed That One of the Worst Gang of Burglars Has Been Broken Up.

London, Feb. 17.—Last Monday the police arrested Frederick Moseley on a charge of robbery.

Without a word of warning the officers fired on the two desperadoes, and a shot was fired at the police.

The police are of the opinion that they have broken up one of the worst gangs that have been active in this vicinity.

Donnell's Majority

Walkerville, Ont., Feb. 17.—Full returns in Donnell's majority (Conservative), a majority of 171.

Jack Frost Supreme

Schenectady, N. Y., Feb. 17.—Every public school in this city was closed today by reason of the intense cold.

Civic Ownership

Sherbrooke, Que., Feb. 17.—The city council has passed a resolution to purchase the office of the Sherbrooke Light, Heat and Power Company.

B. C. Mining Association

For Sale—Two registered Jersey cows, three years, one just fresh, with registration of foot, one due April 6th.
