

Young's Great Annual New Year Sale

Commences Next Thursday, January 2nd

OUR great yearly economist sale for thrifty women, who look ahead and provide for the future, will commence next Thursday. If you are in a money-making mood, you cannot do better than come here at the very start. Make a New Year resolution that you will be one of the early birds. You'll never regret it when you secure some of our first-of-the-year values. You know that it is our unapproached values that have advertised us—the satisfied customer has ever been a larger ad. for us than our newspaper space. Discerning women are bound to patronize a store where reliability of quality is not doubted, where styles are correct and prices right. During this big January, '08, sale, everything offered at our counters, in every Department including Millinery, will be sold at wholesale cost, and low wholesale cost. Hundreds and hundreds of special new-repeated "snaps" will be quickly noted, for the whole store will become one vast sea of bargains—the advertised items being merely the spray. We want you to see the goods and let them talk for themselves.

Cash Sale—This is a Cash Sale. We make no secret that we want cash. Please come early next Thursday and set your bargain-expectation high and you will not be disappointed.
