Concrete Sidewalks are Safe, Sightly and Everlasting

LUMBER used in damp places and on wet ground—as, for instance, in walks—has a very short life. It requires almost constant repairing and, in a few years, needs replacing. Concrete, on the other hand, improves with age, and the very dampness which destroys lumber calls out the best qualities of the cement by making it harder and harder—until neither time nor traffic can affect it. The best of wooden walks keep getting out of repair, and are a continual menace to life and limb. They are also a frequent source of expensive doctor bills and lost time. Then again, they are likely to eat up the original cost in repairs before they are replaced. Concrete walks are slightly, everlasting and safe. They cost less to build and need no repairing nor painting. Write for our free book, "What the Farmer Can Do With Concrete." It tells in plain, simple language, how you can save money on farm construction by using cement for Barns, Dairies, Foundations, Fence Posts, Troughs, Feeding Floors, Hitching Posts, Stalls, Silos, Stairs, and so forth. The book is well illustrated with photographs, plans and diagrams. Fill out the coupon or send a postal to-day. Simply address it to

DEATH OF MR. WILLIAM JAMIESON

WILLIAM JAMIESON
The sudden death of William Jamieson, of Esquimaux P. Q., on December 28, 1910, removed from this congregation of loyal and self-sacrificing people their leader and most liberal supporter. Mr. Jamieson was in the 58th year of his age, and had been an elder of this church for over twenty-five years. In his boyhood he united with the Campbellton church, when the late Dr. Herdman was its pastor. Mr. Jamieson's birthplace, where also he died while on a visit to his only sister was Kempe Road, which until a few years ago was part of Campbellton congregation. Before settling on his beautiful farm in "The Glen" Mr. Jamieson was for a few years a teacher, an occupation that fitted him to be a useful secretary-treasurer in the congregation. He filled this post for twenty-five years. He was secretary-treasurer of the protestant school board and held a similar office in the local council. For many years he was representative elder and attended Presbyterian meetings. Though a man of retiring disposition he was a true friend and an ardent supporter of every good cause. A faithful worker and a S. S. Super intendent. He was a lover of good literature and his home, where his sisters were always gladly welcomed, gave evidence of his good taste and learning. He loved his Master and his church, and was liberal towards her as God prospered him. Mr. Jamieson was unmarried and his only brother predeceased him a year ago. His death coming soon after the departure of Rev. Mr. Barker and his wife for Korea is an apparently heavy loss to this congregation. But their loss is his gain, and he is entered upon that reward for which he was well prepared. This tribute is offered by a former pastor to whom as to all Christian workers our beloved friend was a sympathetic helper.

DRINK CURE A MIRACLE?

No, Just Sound Science.
Many drunkards are sent to jail when what they need is medicine. Drink has undermined their constitutions, inflamed their stomach and nerves, until the craving must be satisfied, if it is not removed by a scientific prescription like Samaria. Samaria Prescription stops the craving, restores the shaking nerves, builds up the health and appetite and renders drink distasteful, even nauseous. It is odorless and tasteless, and dissolves instantly in tea, coffee or food. It can be given with or without the patient's knowledge. Read what it did for Mrs. G., of Vancouver: "I was so anxious to get my husband cured that I went up to Harrison Drug Store, and got your remedy. I had no trouble giving it without his knowledge. I greatly thank you for all the peace and happiness that it brought already into my home. The cost was nothing according to what he would spend in drinking. The force of drink was cutting me into my grave, but now I feel so happy, and everything seems so different and bright. May the Lord be with you and help you in curing the evil. I don't want my name published." Now, if you know of any unfortunate needing Samaria Treatment, tell him or his family or friends about it. If you have any friend or relative who is forming the drink habit, help him to release himself from its clutch. Write today. A FREE TRIAL PACKAGE of Samaria Prescription, with booklet, giving full particulars, testimonials, price etc., will be sent absolutely free and postpaid in plain sealed package to anyone asking for it and mentioning this paper. Correspondence sacredly confidential. Write today. THE SAMARIA REMEDY CO., Dept. 77, 49 Colborne St., Toronto, Canada.

ASSIGNMENTS
Lloyd S. Belyea, merchant of Gibson, has assigned to Sheriff Howe for the benefit of his creditors. His assets are about \$5000 and his liabilities are placed at \$1,200.
L. S. Smith, merchant of Chatham, has made an assignment to H. H. Parker, St. John.

DOINGS IN POLICE CIRCLES

H. Cornier was charged with selling liquor illegally at his premises in Gerard Street. He pleaded not guilty, but was convicted on evidence and fined by Police Judge Matheson \$50 and costs or three months in jail.
On Saturday evening a man was found drunk and using abusive language on Water Street and when arrested by the police, violently resisted the officers. He was convicted and fined \$5 and costs.
That same afternoon a workman was arrested for being drunk and disorderly on Water Street and fined \$1 and costs.
Norman Gray, who has been already convicted of illegal selling of liquor, was charged before Judge Matheson with a like offence. This case was postponed owing to the non-appearance of witnesses.
Quite a number of homeless wanderers have called at the Police Station for shelter during this last spell of cold weather and have received kindly treatment at the hands of the Chief and his officers.

MIRIAM'S LINIMENT CO., LIMITED.
Sirs,—I have used your MIRIAM'S LINIMENT for the past 25 years and while I have occasionally used other liniments I can safely say that I have never used any equal to yours. It rubbed between the hands and inhaled frequently, it will never fail to cure cold in the head in twenty-four hours.
It is also the Best for bruises, sprains, etc.
Yours truly,
J. G. LESLIE.
Dartmouth.

BRANDRAM-HENDERSON'S CONVENTION.

Banquet at Place Viger Hotel the Feature.
An annual convention of salesmen, branch managers and executive officers, is fast becoming a habit among the more progressive of our big Canadian business houses. One of the first to take up the idea, was the paint firm of Brandram-Henderson, Limited, and they are among its most enthusiastic advocates.
Their last convention, lasting three days, was held in Montreal just before Christmas. The salesmen gathered from as far as Winnipeg, on the West, Halifax on the East, and the British West Indies, on the South, to discuss past and future business with the President and the other Head Office officials.
An evening of Grand Opera and a most enjoyable banquet at the Place Viger Hotel helped to make the Convention the most successful which they have ever held. The interchange of suggestions among Executive Advertising and Selling forces, and the thorough inspection of the great Brandram-Henderson plant, filled every man in the organization with pride and confidence in his firm and his goods. The result will be a still more vigorous advertising and selling campaign this year.
With well-known quality of their paints, varnishes and white lead to back up this campaign, Brandram-Henderson should have the most successful year in their history.

PROJECTED NEW WHARF

The Government engineers are busy at present taking soundings and borings in connection with the proposed new wharf. According to Mr. Davie, the engineer in charge, the work will in all probability go on this summer and will consist of putting down another wharf parallel to the present one further in shore. The soundings already taken show a possible channel when dredged of 25 feet on the existing wharf side, and there is every possibility of getting that depth also on the shore side. This is ample evidence that we are able to cope with such an enlarged volume of trade, and will allow of quicker handling of cargo for the many vessels which we shall be able to accommodate along the water front. It is yet too early to speculate on the probable cost of the undertaking, but this only seems to be a beginning of many great things for Campbellton.

SICK MAN SUICIDES

While delirious from pneumonia, with which he was suffering, Albion St. George of Young's Cove Road Queens-Cove, blowing the top of his head off Sunday morning and died instantly. He placed the muzzle of a shot gun in his mouth and discharged the contents of the gun into his head. He was taken ill just the day before.

OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ont.—"I think it is no more than right for me to thank Mrs. Pinkham for what her kind advice and Lydia E. Pinkham's Vegetable Compound has done for me. When I wrote to her some time ago I was a very sick woman, suffering from female troubles. I had inflammation of the female organs, and could not stand or walk any distance. At last I was confined to my bed and the doctor said I would have to go through an operation, but this I refused to do. A friend advised Lydia E. Pinkham's Vegetable Compound, and now, after using three bottles of it, I feel like a new woman. I most heartily recommend this medicine to all women who suffer with female troubles. I have also taken Lydia E. Pinkham's Liver Pills and think they are fine."—Mrs. FRANK EMBLEY, Lindsay, Ontario.
We cannot understand why women will take chances with an operation or drag out a sickly half-hearted existence, missing three-fourths of the joy of living, without first trying Lydia E. Pinkham's Vegetable Compound. For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration.
