## GEO. SARGENT'S BODY RECOVERED

Picked Up by Lobster Fishermen Near Tignish, P. E. I. Last Week.

Summerside, P. E. I. May 27—James Sargent, of Campbellton, and E. J. Sargent, of St. John's father and brother respectively, of Geo. Sargent, who was presumed to have been drowned while shooting wild fowl at Summerside on November 21 last, were in Summerside today on their way to Tignish where they intend to get in touch with the authorities regarding the unidentified body of a man which was found floating on the water by lobster fishermen a few days ago at Frog Pond, near Tignish.

E. J. Sargent read an item in the New Brunswick paper regarding the finding of the body but it was then too late for him to be present at the inquest. From the published description he is reasonably certain that the body is that of his missing brother whose disappearance has been considerable of a mystery. Upon the arrival of father and son at Tignish Saturday evening they propose to have the body which has been buried there exhumed.

The above dispatch appeared last Monday Mr. Sargent was able to identify the remains as those of his son George, who was lost off Summerside while shooting geese last fall. The body was prepared for removal to Campbellton and arrived here Tuesday morning.

The Graphic understands that a thorough post mortem examination of the body was made, and no evidence of foul play was discovered.

The funeral was held Wednesday afternoon and was very largely attended.

The services at the house and grave were conducted by Rev. Mr. Harrington. The body was conveyed on the Fire Department's hearse, as the deceased was a member of the brigade. Many floral offerings attested to the esteem in which the departed was held.

## TWO GOLDEN ANNIVERSARIES

Campbellton Citizens Celebrate Fiftyth Anniversary of Their Marriages.

Mr. and Mrs. James Patterson of this town received the congratulations of their many friends on Monday, it being the fiftyth anniversary of their marriage. During the afternoon and evening many called to wish them every happiness and more years of prosperity.

Mr. and Mrs. G. E. Asker are receiving congratulations on this the fiftyth anniversary of their marriage. Mr. Asker is a native of Sweden, having been born in Askersund seventy-eight years ago and came to this country in 1868. Mrs. Asker who is seventy-four years of age is a descendant of the pioneer Duncan who landed here in 1773, which event marks the beginning of the first colony on this part of the North Shore. Mrs. Asker and Mr. James Duncan of Dalhousie are the only remaining direct descendants of these early Scotch settlers.

To the many friends of Mr. and Mrs. Asker the significance of this occasion is accentuated by the fact that for the past four years Mrs. Asker has been in failing health and that it was feared that she would not live to experience this happy event. Moreover the family have temporarily escaped their individual responsibilities and have gathered at home for the occasion.

Thus good fortune has brought about a fitting climax to fifty years of conjugal felicity in this happy family reunion at a most appropriate time.
