**Secret  
Skin  
Troubles**

**MEAN NIGHTS  
& DAYS OF ITCHING TORTURE.**

A well-known physician says  
that he cures scores, many  
terrible cases of secret skin  
disease. Because there's a natural  
disinclination to seek advice, the  
sufferer either neglects or else  
aggravates it by use of some poisonous  
medicinal ointment. While this may  
hide up surface trouble, it also drives  
disease further into the skin.

You cannot thoroughly and per-  
manently heal skin disease with  
tetter, psoriasis, ringworm, etc., unless  
you first destroy all disease germs.  
Zam-Buk does this quickly and  
thoroughly.

Zam-Buk is unique in its germicidal  
and healing strength. Its soothing  
healing essence penetrates into the  
skin right into the weeping and  
discolored inner tissues, killing the  
germs and soothing disease at  
its very source.

The first dressing of Zam-Buk ends  
the dreadful itching and when all sore  
places have been treated, the skin  
is cooled and purified by Zam-Buk,  
every trace of disease is made to dis-  
appear, and there is a splendid new  
growth of clear healthy skin.

**Zam-Buk**  
UPPOKIS SKIN DISEASE

Don't endure skin torture a day  
longer! Get Zam-Buk-to-day! Apply to  
the first itchy spot, sore or eruption  
use it for healing cuts, burns, scalds,  
blister and poisoned wounds also for  
weakening, painful piles.

50c. box, all chemists and druggists.

**COULD HARDLY  
MOVE IN HER BED**

Eight Boxes of "FRUIT-A-TIVES"  
Completely Relieved Her.

MADAM RICHER

Iabelle, P.Q., April 18th, 1922

"It is my duty to tell you and publish  
to all what your remedy "Fruit-  
a-tives" has done for me.

I suffered with Rheumatism for ten  
months; could hardly move in bed,  
and was miserable all the time. I tried  
several physicians and took many  
remedies, but they left me at the  
same place, in bed and suffering, the  
Rheumatism was so bad.

I finally started in taking "Fruit-a-tives"  
and continued the treatment regu-  
larly as I found myself getting better.  
After using eight boxes of "Fruit-  
a-tives" (which cost only \$4.) I am  
completely well without a trace of  
Rheumatism."

MADAM J. RICHER.

50c a box, 6 for \$2.50, trial size 25c.

receipt of price by Fruit-a-tives  
Limited, Ottawa.

**PULPWOOD OUTLOOK  
IN QUEBEC IS GOOD**

Dealers Well Filled With Orders  
But Cannot Get Sufficient  
Transportation.

The pulpwood situation as far as  
it concerns the city of Quebec is in  
a peculiar position. The dealers are  
well filled with orders for immediate  
deliveries but are unable to comply  
for want of transportation accommo-  
dation. American mills have come  
after the wood and the shippers are  
ready to meet the demand, but are  
held up in their activities for want of  
freight cars to carry the product to the  
mills, and the American railroads  
maintain that they cannot supply the  
cars owing to the shortage of their  
respective lines.

In the meantime the price of pulp-  
wood has not advanced over last year's  
figures although Quebec shippers say  
they are receiving better treatment  
from the mills. They refuse, how-  
ever, to sell to the New York state  
mills which undertook to inspect and  
cut the wood from Quebec as well as  
decrease the measurements some months  
ago after the pulpwood reached  
their plants, and say that they will  
not have any more dealings with those  
concerns unless they consent to abide  
by the culling and measurements at the  
Canadian base of supply.

In the meantime Quebec pulpwood  
interests in a spirit of optimism of the  
future are seemingly pleased over the  
present prices. They say that, within  
two years, their wood will be in  
active demand as the American mill  
stocks will be thoroughly depleted by  
that time as well as the State of  
Maine cut which will force American  
companies to come to Quebec and pay  
higher prices for their material. They  
are keen observers of the markets and  
realize that stocks in the United  
States are a direct hindrance in pros-  
perity, and that production and trans-  
portation are alike suffering because  
of the coal and railway strike; never-  
theless business confidence on the  
threshold of the autumn is strengthen-  
ing.

It is refreshing to listen to those  
wood shippers to the American pulp  
and paper mills in their philosophy of  
what the future will bring to their  
special line of trade.

They point out that there are many  
incidents which are indicative of im-  
provement in the American and Cana-  
dian industrial and financial position,  
and that other incidents which are un-  
favorable and discouraging do not af-  
fect all, stop the world from moving.

**"SALADA"**

"The Tea that is always Reliable."

**"My Boy was Starving to Death"**  
"As He Was Getting No Nourishment He Was  
Gradually Wasting Away."

"Here's a story which will interest  
every mother. Before my boy was  
born, I was in such delicate health  
that the doctor didn't think I would  
survive the ordeal. For weeks after  
he was born my life was despaired of,  
so I couldn't feed him and the poor  
little fellow was left to the care of  
friends. He wasn't naturally strong,  
no care was taken in choosing his  
food and his poor little stomach  
couldn't keep anything on it. As he  
was getting no nourishment from his  
three bottles of Carnel. Before he  
was a year old he had lost half his  
weight. He was thin and full of life with  
a happy smile. "What on earth have  
you done to him?" I said. "Why," she  
replied, "I simply made him live out  
of doors, gave him good food—and  
here's the real secret, I gave him  
three bottles of Carnel. Before he  
had taken half a bottle his whole  
appearance had changed. He got  
cheerful, his face took on a colour and  
he would run round for hours at a  
time." The change in my boy is the  
most wonderful event in my life. I  
am a regular fan for Carnel and  
never lose a chance to boost it. As I  
write I am looking out of the window  
and when I see this fine, active,  
healthy child running round, I cannot  
believe that he was once a puny,  
delicate boy."

Carnel is sold by your druggist,  
and if you can conscientiously say,  
after you have tried it, that it has  
done you any good, return the empty  
bottle to him and he will refund your  
money.
