THE GREEN DIAMOND

Jeff Blakey back from Buffalo—Eastern League Baseball.

Jeff Blakey returned from Buffalo yesterday. He was not under contract, he says, but had an agreement with Chapman which expired on Wednesday.

Blakey says baseball is paying in the Eastern League, chiefly owing to Friday games.

There is considerable internal strife among the Blakes and Blakey declares that several of the men are playing for their release.

Johnson, the London man, is doing well under difficulties. Malhall did not get a fair show and is still in Buffalo "on his uppers," as Jeff puts it. Blakey injured himself in an amateur game on Sunday and will be unable to play for some time. He will likely sign with one of the local league teams.

The Toronto League will open its season with two games Saturday afternoon. The league promises to be very strong and a close fight for the Spalding flag is expected. It is also proposed to secure a silver cup for the winners.

The league is well officered by the following: H. Power, president; Daniel Small, first vice; Mr. Robinson (Wilmot), second vice; Mr. Logan (Starr), secretary; G. S. Thompson, treasurer. Each team plays two matches, two matches being played every Saturday afternoon. The U.C.C. grounds has been secured for the season.

Cash Cup Contests. Fixtures for the Junior Cricket League have been arranged as follows:

June 13, Parkdale Colts v. East Toronto Colts on East Toronto grounds; 27, East Toronto v. Imperial Bank on Varsity lawn.

July 14, East Toronto Colts v. Parkdale Colts on Parkdale grounds; 27, Dominion Bank v. Imperial Bank on Varsity lawn; 28, Parkdale Colts v. East Toronto Colts on Parkdale grounds.

Saturday afternoon the Toronto Baseball League will open its season with two games, Maroons v. Nationals at 2 o'clock and Maple Leafs v. Crescents at 4 o'clock, at old Upper Canada.

The managers of the different teams in the new league are bustling after strong teams. Already they report the capture of Synges, Benson and Bates, with Maple Leafs; Stricker, Hawley and Wintersberger, with Winnetka.

The Stratford Races. STRATFORD, June 7.—The Turf Association had another fine day for the second of their spring meetings. An exciting event of the afternoon was the running away of Johnny Goldust while being led out for the first race.

He circled the track once or two times before stopping. The same horse ran away in Buffalo last February, throwing his then owner, Mr. E. K. Weaver, from the saddle and causing his death.

Another interesting feature was the record made by E. James, Toronto, Sir, Dolly, who won in 2:16 against a strong wind, this being the fastest ever trotted in Canada over a half-mile track in a race.

Next time, June 7.—The arrival on the Majestic vessel of Maclean Van Ingen, who made the preliminary arrangements for the coming meeting in England between the crack athletes of Yale and Oxford, served to stimulate interest in the great event.

Colleagues everywhere are discussing the meeting, and it seems to be the general opinion of those interested that the trip abroad of Eli's boys will greatly boom university athletics.

From Van Ingen's general conversation on the subject, however, it was gathered that the plan agreed upon was to take place in London, on the grounds of the Queen's Club, some time during the first or second week in July.

Yale's team has not been definitely selected, but there can be no doubt that it will be the best that ever represented the college. The opinion among the students at New Haven is that the Yale team will win a majority of the events.

Parade's Evening. The following team will represent Parkdale in their match with Upper Canada College on the Exhibition Grounds Saturday, at 2 p.m.:

C. Leitch, A. G. Chambers, J. T. Clark, A. Reed, E. J. Pawky, H. J. Dalfovo, W. E. Dean, S. W. Black, H. J. Webster, John E. Hall and John Chambers; F. J. Sastinger, spare man.

The following team to meet Gordon, Mackay & Co. on Saturday afternoon on the Baseball Grounds: Conway, J. H. Eyer, C. E. Chambers, J. C. Black, H. Thornton, A. E. Back, H. Mickleburgh, H. MacFenn, F. Minsky, G. G. MacKenzie and F. W. Monteith; C. Farr and T. Scott, spare men.

Cricket to England. Surrey defeated Middlesex in the match finished at Kennington Oval May 29 by 300 and 189 to 221 and 226. Abel made 136 not out.

The South African match with Hampshire resulted in a draw in favor of Hampshire. Score: 408 to 276 and 83 for two wickets. M.C.C. and ground beat Cambridge 189 and 239 to 399 and 29 for one wicket.

Somerset drew with Oxford University. Score: 210 and 394 to 341 and 115 for three wickets. Palmer, Somerset, made 181.

Fred Young Fell. STRATFORD, June 7.—A five-mile bicycle race was run here today, T. McCarthy, Toronto; C. Manville and Redway, London; Fred Young, Toronto; Harry Tolson, Galt; G. Livingstone, Senforth, and Dr. W. H. Robertson, Stratford, starting. On the first lap Young fell and although he made a plucky attempt to regain his position, he was unable to do so. Redway came in second, McCarthy second and Livingstone third. Time 14:04 1/2.

Hylop Goes a Fast Race. SARNIA, June 7.—This evening at Bay View Park William Hylop made an attempt to beat the present Canadian record for a mile, flying start, paced by Davidson and Rogers in the tandem and succeeded in doing it in 1:01 4/5. He is in the pink of condition and the track is in first-class shape.

OUR NATIONAL GAME.

The Lacrosse Season Astonishingly Opened in London.

LONDON, June 7.—The first lacrosse game of many years took place here yesterday between the newly-organized London club and the Ontario Indians.

The game itself was a scorcher for the Indian eleven that came up from Ontario to take away the scalp of the white men.

The red men were a lot of fast runners and generally very alert fellows, but they were out of practice, "and any way they weren't his best," was the way that the captain, Chief Elin Ninkam, explained the defeat of his team. Before the game began the Indians, headed by the Seventh Band, paraded the streets and then marched to the grounds.

The London boys set a fast pace at the start, but the Ontario proved themselves a swift lot of fellows, and certainly did some clever dodging and checking. But they utterly lacked team play, and were out in a hunch at every opportunity. They narrowly missed scoring the first goal after ten minutes of play, but the next minute the rubber shot between Ontario posts. The second goal was a little longer coming, but it came, and at the end of half-time the score was 2 to 0.

The resumption of play the home team tallied a third goal, and thus did the good work go on, until the end of the second half, when the Indians are a good-natured lot of chaps, but their extreme earnestness in the play, coupled with their unique and certainly varied costumes, certainly made the opening a successful season season assured.

THE C.A.A.O. REGATTA. The Committee getting Ready for the Races in August.

HAMILTON, June 7.—A meeting of the C.A.A.O. Regatta Committee was held last night, W. W. Osborne presiding. W. A. Littlejohn, secretary, Toronto, was present and there were in attendance C. A. Mitchell, S. P. Grant and Major Stuart.

P. D. Crozier's name was added to the Regatta Committee and he was appointed chairman of the committee. W. W. Osborne was appointed secretary, and he and W. W. Mitchell were appointed other members of the Regatta Committee.

The date of the regatta has been definitely fixed for Aug. 3 and 4.

Ryan and Wright As Work. Messrs. Ryan and Wright will move from their Kingston quarters to their new office in the Spring Life of May 30 say.

Messrs. Ryan and Wright, the Canadian amateurs, have stuck to their work despite the raw and chilly days they have had. Ryan has been under the weather for some time, but his companion does not seem to mind the vagaries of the English climate.

Ryan is now all right, and will likely be in championship form for the regatta.

The Don's Races. A spectator writes: Your report of last evening's race of the Don Amateur Rowing Club has been read with interest.

They led St. John's crew from start to finish, and finished between 3 or 4 lengths ahead, but owing to a misjudgment of the boatman unfortunately were unable to catch the flag boat, and causing the race. There is some misunderstanding as to who finished first.
