How to Cure Headache.—Some people suffer untold misery day after day with headache. There is rest neither day nor night until the nerves are all unstrung. The cause is generally a disordered stomach, and a cure can be effected by using Parmelee's Vegetable Pills, containing Mandrake and Dandellon. Mr. Finlay Wark. Lysander, P.Q., writes: "I find Parmelee's Pills a first-class article for Billous Headache."

suppment. It is no longer a secret that the Rothschilds and other foreign bankers are negotiating through their New York agents for the greater purt of the coming \$100,000,000 loan, and the probability is that the bonds will be absorbed by them at a premium which will place the issue on a 3-1-2 per cent basis. It is understood the European capitalists are anxious to bid for at loast \$75,090,000; the New York bankers are said to be ready to take \$25,000,000. "The rate of interest is still a matter of some doubt, but it is stated on semi-official treasury authority that the loan will probably be placed at about 3-1-2 per cent. If this figure is realised the bonds will be solid at \$102,26, about what the Government fours are selling for to-day.
