

SEIZE CONTENTS OF WAREHOUSE

Raid on Export Storehouse Follows Alleged Liquor Sale

THREE DRAYLOADS REMOVED

Man in Charge Remanded on Selling Charge

GODERICH, Sept. 30.—This morning Liquor Inspector Pellow and Provincial Officers Whitehead and Gundry seized the contents of the liquor export warehouse at the dock here. The seizure followed the arrest of Charles Alkman, who was in charge of the warehouse, and his two assistants, who are charged under section 40 of the O. T. A. The alleged sale took place last night at the harbor while local officers were

PART OF PROGRAM MUST BE BRITISH

MELBOURNE, Australia, Sept. 30.—(Canadian Press Cable, via Reuters.)—In every moving picture program in the theaters of Victoria after June 30, 1925, not less than 1,000 feet of British film must be shown.

An amendment to the censorship bill, which was given its third reading yesterday in the Victoria Legislative Council, was passed, providing for the encouragement of the British "movie" enterprises to the above extent.

Alkman appeared before Magistrate Reid and the case was adjourned for a week, Alkman going to jail pending the furnishing of \$5,000 bail which Crown Attorney Seager asked for. D. F. Holmes is the defendant's lawyer.

PROVINCE-WIDE GATHERING HELD

Ladies' Societies of B. L. F. & E. Well Represented

INSTRUCTIONAL PROGRAM

Event Concludes With Dance at Masonic Temple

ST. THOMAS, Sept. 30.—Distinctly unique was the province-wide meeting of the ladies' societies of the Brotherhood of Locomotive Firemen and Engineers, held in the Masonic Temple, here, to-day, under the auspices of Charity Helpmate Lodge, No. 27.

The meeting was different in that it was held for instructional purposes only, matters of business being omitted altogether. The meeting was the first of its kind and was originated by the St. Thomas lady members of the order. About 50 representatives from various parts of the province attended the meeting, making an attendance of nearly 100.

The delegates met at 10 a.m., adjourning for lunch in the Y. M. C. A. Grand lodge officers were present at the meetings, at which degree work and ritual were exemplified and demonstrations of drills given. An invitation dance in the Masonic Temple this evening proved a fitting finale to the event.

The grand lodge officers, Mrs. Maude E. Moore, of Stratford, and Mrs. Agnes Strong, of Boone, Iowa, were in attendance. The general committee in charge consisted of Mrs. Martha Fillmore, Mrs. Clark, Mrs. Winters and Mrs. Pettit.

The other committees are: Billings, Mesdames Knight, Smith and Agnew; music, Mesdames Brown, Pettit and Arrel; registering, Mesdames Adair, McIntyre and Beer; reception, Mesdames Little, Dunn and Miller; banquet, Mesdames Golden, Coulter and Williams; program, Mrs. Fillmore, Clara Edwards, Alex. J. Killingsworth and Guy McLean; reception committee for the dance, Past Presidents Wise, Howe, Grey, Edwards, Anthony and Winters.

DEER HUNTING TIME NOW

Up in the north woods the boys are already bringing in the game. In the district north of the main line of the Canadian National Railways, between Quebec and Winnipeg, the deer season opened on September 15 and will continue until November 15. Throughout this district, which covers millions of acres, big game is always very plentiful and every hunter who goes north is almost sure of bringing back his full complement.

If the hunters feel that they cannot afford the time to make such an extensive trip, there is no need for him to give up his hunt. From November 5 to 30 the season is open for deer shooting in the country south of the French and Mattawa Rivers, and from October 25 to November 30 in that territory lying north and west of the French and Mattawa Rivers. This district is easy of access and is one of the most famous and popular hunting grounds of Ontario. Men go up to this country of trail, river and lake every year and are always successful.

There can be no better vacation than one spent in these Northern Ontario woods. Clean your gun, assemble your kit and get ready for a real deer hunt. Any Canadian National Railway agent will gladly supply you with full hunting information and particulars of special and regular train service.

SAYS CHIEF AIM OF EDUCATION IS TO FORM AN "ELITE" FOR SOCIETY

TORONTO, Sept. 30.—"The chief purpose of education is to form an 'elite,' not for its own sake, but for that of society."

"The doctrine is startling to the democracy on this side of the water, which believes so strongly in mass production, but I believe it is a truth which we need to take to heart."

"Without vision the people perish and without those who have eyes and hearts to see and understand there can be no vision. Universities will perish in which the quest for the highest has grown slack."

In his opening address at Convocation Hall this afternoon Sir Robert Falconer, president of the University of Toronto, pointed out to the assembled students what he deemed to be the purpose of a university, and showed them the opportunity which presented itself in their college courses.

"Knowledge is dead when it becomes inert information," he went on. "It is only alive with a right to its name as long as it strives against ignorance, as long as the light shining in the darkness is not quenched."

"You have been drilled in mathematics, the rudiment of the sciences and the dry framework of your country's history," said the president. "You have been given pegs on which to hang the work of knowledge, out of which you will make a garment to set forth your person agreeably in the society of your fellows."

"Never has there been more earnest, widely diffused and successful educational effort than now," said Sir Robert, in referring to his recent tour of the European universities.

MOTORIST ARRESTED

Detroit Man Charged With Criminal Negligence, Following Accident

WINDSOR, Ont., Sept. 30.—Violet Breckenridge, 28 years of age, 217 McKeown avenue, was seriously injured late this afternoon when knocked down by an automobile driven by Thomas H. Irvine, of Detroit. Irvine is being held by the police on a charge of criminal negligence.

Miss Breckenridge was crossing London street at Curry avenue when the car struck her, the police claim. She was rushed to Grace Hospital, where an examination showed a compound fracture of the right leg, cuts and bruises about the body, and one cut on the forehead required several stitches to close.

CLEMENCY FOR FORMER TREASURER INDORSED

ST. THOMAS, Sept. 30.—A petition, seeking clemency in the case of Peter Smith, former provincial treasurer, now serving a term in Kingston penitentiary, is in circulation in this city and is reported to be securing many signatures. The prayer of the petition is that the Minister of Justice may show clemency in Mr. Smith's case and remit his sentence or parole him on the grounds that "Mr. Smith did not realize the enormity of his offense."

APPOINTED DIETITIAN

ST. THOMAS, Sept. 30.—Miss Elizabeth McArthur, daughter of Mrs. McArthur and the late Peter McArthur, of Appleton, has been appointed dietitian at the St. Thomas Memorial Hospital. Her duties commence to-morrow. Miss McArthur is a graduate of Macdonald Hall, Quebec, and has had experience in several hospitals.

Wintry Conditions Prevail In the Western Provinces

Heavy Fall of Snow Is Accompanied by Lower Temperatures

WINNIPEG, Sept. 30.—(Canadian Press Dispatch).—With snow reported at many points, wintry conditions prevailed throughout the Prairie Provinces to-day.

The cold wave, which resulted in a heavy fall of snow in Alberta last night, has extended to Saskatchewan and parts of Manitoba, resulting in suspension of threshing operations. A general fall of snow was reported in Central and Southern Saskatchewan, Saskatchewan then reporting a five-inch fall of snow. Brandon and Portage la Prairie, in Manitoba, also were blanketed. Around

HEAD IS PIERCED BY TINE OF FORK

Centerville Child May Die As a Result of Injury

OWEN SOUND, Sept. 30.—When the prong of a fork penetrated the head of the three-year-old son of Otto L. Britton at Centerville, near Meaford, yesterday, the lad was seriously injured and it is possible fatal results will follow.

The little fellow was with his grandfather when the stable was being cleaned out and just as the grandfather was about to throw a forkful of manure the boy darted in front of him. He was hit in the head by the fork, one of the prongs of which penetrated his skull about three-quarters of an inch above the left eye. The grandfather, who is not blamed for the accident, is greatly distressed over the tragic event.

ACCEPTS CLINTON CALL

Rev. William Younger, Baptist minister at Leith and Daywood congregations, has resigned his pastorate there and will accept a call from Clinton Baptist Church, to take effect on November 1. Rev. Younger has been at these charges for the past four and a half years, coming here from the Peace River district. He has been a minister for 20 years. The Clinton appointment includes a church at Auburn, near by.

LAST HALF HOLIDAY

Owen Sound celebrated the last of the holiday days for this season this afternoon. The city had the half holiday from the beginning of May to the end of September.

MANY INDUSTRIES AT LOW EBB IN BRITAIN

LONDON, Sept. 30.—The summary of British trade for September as published by the United States Chamber of Commerce in London quotes Stanley Machin, president of the association of British Chambers of Commerce, as saying: "The condition of the trade is now more serious than it was earlier in the year and the position of the coal trade is deplorable."

The chamber's summary says that new wage reductions, forced by the fall in coal prices, have aroused the opposition of the miners, who have called a delegate conference for October 9. The output for August was 15,535,400 tons, against 20,000,000 for August, 1924. There was a continued decrease in wholesale prices in August, the index number being 157. The Government plans to spend £20,000 in publicity on the British industrial fairs, to be held in February.

Business in the iron, steel and allied trades is at an exceedingly low ebb. The shipbuilding trade is stagnant. The tin plate manufacturers are working out a pooling scheme. The cycle exhibition at the Olympia demonstrates the flourishing condition of that industry.

A slight improvement is noted in the cotton textile trade, with persistent inquiry from India. The wool and textile industry is agitating against the Australian tariff changes. The leather position is improving.

ANOTHER STEP TAKEN TO STOP SMUGGLING

WASHINGTON, Sept. 30.—Uniform rules to enforce the Canadian-American anti-smuggling convention were promulgated by President Coolidge to-night in an executive order made public through the state department. They were drawn up at the conference in Washington last month between officials of the two governments with a view to suppressing the smuggling of liquor, narcotics and stolen goods.

"It is expected," the announcement says, "the regulations will bring about greater co-operation between the law enforcing officers of both governments and will result in the suppression of extensive smuggling operations which have developed along the boundary during recent years."

INSANE FROM RADIO

New Zealand Man Sentenced to Dispose of Receiving Apparatus

CHRISTCHURCH, N. Z., Sept. 30.—Radio is another of the many things meant only for the man who can take it or leave it alone, and it was officially recognized as another possible road to ruin when Albert A. Hitchcock, found guilty of burglary to-day, was sentenced to throw his wireless receiving apparatus away.

Evidence showed that he had become mentally deranged owing to too close attention to his wireless set.

TORONTO STATISTICS

TORONTO, Sept. 30.—Forty-eight persons met death from violent causes in Toronto during the month of September, compared with 39 in August. Six were killed in motor accidents and 23 were found dead or died suddenly.

Fire losses in the city during September were lower than for any month this year so far, being estimated at \$20,984, as against \$31,229 during September of last year.

To Attend Convention At Atlanta

W. W. Gammage, general manager of J. Gammage & Sons, florists, one of the oldest established firms in Canada and one of the largest, is going to attend the annual convention of the Florists' Telegraph Delivery Association which is being held this year at Atlanta, Georgia, on October 13, 14 and 15.

Mr. Gammage for many years has been a director of the association and it is in that capacity he will attend the convention. He has been nominated for the presidency this year. J. Gammage & Sons was the first floral house in Canada to become a member of the F. T. D., an organization which sends flowers around the world by wire.

ABANDON HOPE THAT ANY ABOARD SUNKEN U. S. SUB ARE STILL ALIVE

NEW LONDON, Conn., Sept. 30.—Rear Admiral Christy reluctantly admitted late to-day that there was no longer any possibility of life aboard the submarine S-51 sunk here last Friday night.

Rescue operations for to-day were abandoned at 9 o'clock this morning, nearly 100 hours after the ill-fated submarine plunged to the bottom.

INQUIRY ORDERED

WASHINGTON, Sept. 30.—A court of inquiry was appointed by Secretary of the Navy Wilbur to-day to inquire into the sinking of the submarine S-51 off Block Island, it will meet at the Boston navy yard at 10 a.m., October 15.

BOYCOTT ENDED

AMOY, China, Sept. 30.—The end of the Chinese boycott against British shipping was seen when ships began arriving yesterday with cargoes that took aboard hundreds of laborers for the Singapore rubber plantations.

LIBERAL LEADS IN BY-ELECTION

Will Probably Win in Medicine Hat Provincial Contest

FIRST COUNT OF VOTES

Single Transferable Balloting Is Used in Election

MEDICINE HAT, Alta., Sept. 30.—With 27 rural polls still to be heard from to-day, C. S. Pringle, Liberal candidate, was leading in the first count votes in yesterday's by-election. He has 143 votes ahead of W. F. McCombs, Labor-Farmer, with J. J. Hendrick, Conservative, low man, with a total of 983 first count votes.

It is not expected that further returns will change the comparative standings of the candidates greatly. As Mr. Pringle has failed to obtain the quota necessary under the single transferable vote system in use, a second count will be necessary before he is formally declared elected. If the standing is unaltered, Mr. Hendrick will be eliminated and the race left to Mr. Pringle and Mr. McCombs, with the advantage in favor of the former.

The second count will not be held until October 8. The total vote so far is: Pringle, 1,578; McCombs, 1,153; Hendrick, 983.

EDMONTON, Sept. 30.—Blame for the unsatisfactory result of the Medicine Hat by-election from the Government's point of view, is placed by Premier Herbert Greenfield and other members of the Cabinet largely on the bad weather conditions and the impassable roads.

"The election was won by the elements," said Hon. George Hoadley, the premier points out that for that reason the vote cannot be taken as a real test of public opinion throughout the constituency.

TOWN CRIERS' CONTEST FRIGHTENS CHILDREN

PEWBY, England, Sept. 30.—Gormor Thomas, official town crier of Burgh-on-Sea, to-day won the title of loudest-mouthed man in the British Isles by beating 16 other competitors for the town crier championship of Great Britain.

All day long the competitors roared through the streets of Pewby. Children cried, dogs howled, poultry scuttled to roost.

The word "Reveley," contained in a proclamation which the criers had to read aloud, tripped most of the men. Thomas roared it out easily and audibly and won the silver cup that goes with the championship.

DEATH OF MRS. ASHLEY

INGERSOLL, Sept. 30.—The death occurred at Alexandra Hospital last night of May Ashley, wife of F. B. Ashley, of East Nissouri. Deceased was in her 31st year, and her death followed a lingering illness. Her husband and four children survive. The funeral is to be held on Thursday afternoon at Kintore Cemetery.
