Some Facts about the New 22-inch Wallpapers

SO CALLED 22 INCH PAPERS ARE REALLY 21 INCH WHEN TRIMMED READY FOR HANGING

There is no saving in buying 18in papers. The total cost including labor when 21in. papers are used works out cheaper because of the fewer number of rolls to hang.

The 21in. papers make a better job because there are fewer seams, less matching and consequently less waste.

If it takes 12 strips of 18in. paper to cover a certain wall it will only take 10 strips of 21in. paper to cover the same wall.

18in. papers are not longer than 21in. papers, both are the same length. 8 yards per single roll, but the wider papers permit the use of a better design with a more distinctive and pleasing effect when hung.

All of our new papers are 21in. and many are semi-trimmed.

LAMBTON BASEBALL LEAGUE

Despite Strathroy dropping out at the last minute the Lambton Baseball League came into being at a well attended meeting held in the Roche House, Watford, on Monday night with representatives present from Sarnia, Forest, Parkhill and Watford.

Peter Dodds of Watford, a well known baseball enthusiast of this place who has taken a keen interest in the game locally for years, and was one of the prominent backers of the Watford entry in the old Lambton league, was elected president of the new league. O. N. Wilson, of Sarnia, was appointed secretary-treasurer.

The Parkhill representatives were opposed to Sarnia's entry into the league on the grounds of the long trip it would mean for that team. The representative was not empowered to join the league with Sarnia but promised to report favorably to his club and let the secretary know how they stood on the matter. Strathroy will be communicated with and an invitation extended them to join the league now that it has been formed.

The umpire question drew down a lot of discussion, but this matter was

left over, with the matter of drawing up the constitution, for the executive to decide at its first meeting. The executive will comprise the officers of the league, and two representatives from each club. Each club, however, is allowed only one vote on matters to be settled by ballot.

An entry fee of \$5 will be levied on each club to be paid in to the secretary-treasurer on or before the opening game. A deposit of \$50 will be required from each organization before the season starts. This will be returned at the end of the season unless the team drops out of the race.

Burt Crouchman did most of the talking for Sarnia. Bill Roche for Forest and Peter Dodds for Watford. More than 25 were in attendance at the meeting. The best of feeling prevailed.

The meeting adjourned to meet again in the council chamber of the Forest Town Hall next Monday evening, April 30th, when the opening dates will be allotted and work on the schedule started.

The new Lambton baseball league will open this year on May 24th.
