

accepted by the Board of Foreign Missions proceeded, and her support comes directly from the body in these Provinces.

Mr. Crawley's return and furlough in Nova Scotia have given a new impetus to missionary zeal and effort, and Rev. Mr. George, accepted also by the Board, has recently with his lady sailed for the same destination. Another young lady from the Eastern portion of this Province was ready to follow without any pledge for support, trusting in the promises of the Lord, and in the zeal of his people; but in deference to judicious advice has delayed her departure.

Besides the support of Miss Dewolfe and Mr. and Mrs. George, the Baptist body in these Provinces supports native preachers and Bible women among the Karens as follows:—

An examination of the Treasurer's account shows contributors giving sums amounting to \$25, \$30, \$40 and \$50, while some single churches support one or more native teachers. Granville Street Congregation gave last year \$151.88.

The Mission among the Karens has been greatly blessed and continues to extend. No church will prosecute this great work earnestly without receiving a blessing in return, and learning at the same time the superior blessedness of giving to the Lord from love to His person and loyalty to His throne.

TRINIDAD MISSION.

Letter from Mr. Morton.

IERE, TRINIDAD, }
Jan. 17th, 1870. }

Rev. and Dear Brother,—Please find enclosed my Second Annual Report. I have tried to make it as concise and accurate as possible. I also enclose a statement of the expense of the school and how it has been met. When I saw how the funds stood toward the end of the year, I wrote to Miss Liddle and John Ross, Esq., who had of their own accord assisted us when we came here, stating what had been done and what remained to be done, so as not to draw on your funds. They in a few days responded as the account shows. I have no acquaintance with the gentlemen from whom Mr. Ross received contributions. Only one of them lives in the Naparimas and three of them are Roman Catholics. Mr. Ross is one of Rev. G. Boddie's elders and brother of one of the elders of Knox Church, Pictou.

I estimate the expenditure for the school here for 1870 at £50 sterling or \$240 Spanish. But I will use the same diligence as in the past to relieve your funds. Our
