

give to drink, unto one of these little ones, a cup of cold water, only, in the name of a disciple, verily, I say unto you, he shall in no wise lose his reward."—Matthew 10. 42.

Another thing that the old people are always begging from us is *Tea*. We cannot afford to give much away. We pay 40 cents per pound. A few groceries and toys to give the children a treat on Christmas would be so acceptable. Of course this cannot be had this winter but next winter if God spares us.

I will not say any more. If I were to make known all their wants, I would astonish you and also dishearten you.

If bales are sent in winter it would be better to send them by way of Prince Albert, care of H.B. Company, and if in summer by way of Grand Rapids, care of H.B. Company.

With a prayer that God will bless you and yours, and your good work,

I remain yours very truly,

W. R. TAYLOR.

Revelations 22. 12.

P.S.—If you could send us some scriptural books to read, we would be so thankful, also tracts and tickets for Sunday School Scholars.—W. R. T.

To Dorcas Secretary, St. Michael's Branch.

The barrel of clothing arrived safely, and the articles were most acceptable. It is so kind of you to assist us year after year as you do, and the donations from your Society are always so useful. The W.A. have been so generous since the fire. Had it not been for them, I do not know how we could have managed. It was rather a blow to us when we heard that the M.D.W.A. were going to withdraw their grant of \$200 per annum. It is a great loss to us, but I trust will be made up in some other manner. We have had a very anxious time lately, we have had so much sickness in the Home, but it has been the same in the town. I never knew so much trouble in the place as this winter. We are looking forward, with much pleasure, to having our new Home. We hope the Government will put up good commodious buildings. Thanking you very much for your kindness and assistance in our work, very sincerely yours,

ST. CLAIR WILSON.
