

Household Hints.

SUGAR COOKIES.—One and one-half cups of sugar, one cup of butter, one cup of sour cream, one egg, one teaspoonful of soda, one teaspoonful of baking-powder; mix soft.

WELL SPOKEN OF.—"I can recommend Haggard's Yellow Oil very highly, it cured me of rheumatism in my fingers when I could not bend them." Ida Plank, Strathroy, Ont. A medicine for external and internal use in all painful complaints.

FRIED EGGS.—To fry eggs tender, put one spoonful of meat drippings in the pan, break and drop in the eggs, salt and cover close with a lid until they got white on top.

ANOTHER REMEDY.—Mrs. J. Thompson, of Elma, Ont., writes that she suffered from general weakness, and was so reduced that at times she became almost unconscious. Three bottles of Burdock Blood Bitters completely cured her, and she now recommends B. B. B. to her friends and neighbours.

DELICATE CAKE.—Whites of two eggs, four tablespoonfuls of cream, one large spoonful of flour, one cupful of white sugar, one cupful of cold water; flavour with lemon. Line a pie-plate with pastry, pour in the mixture and bake at once.

DR. WISTAR'S Balsam of Wild Cherry is "a combination and form indeed" for healing and curing diseases of the throat, lungs and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause instead of drying up the cough and leaving the disease behind.

TOMATO SAUCE.—Peel and cut in small pieces one dozen large, ripe and juicy tomatoes; add six small green peppers and two large-sized onions; chop these very fine, stir in a coffee cupful of vinegar, two or three tablespoonfuls of brown sugar, a heaping tablespoonful of salt, a teaspoonful of ginger, cloves, allspice and cinnamon; stew the tomatoes and all the ingredients but sugar and vinegar, five minutes before taking from the fire.

ALL who have the slightest idea that they would purchase anything in watches, clocks, jewellery or silverware, should see the choice display at marked prices in Barker & Co.'s window in the Y. M. & A. Building (411 Yonge Street). This firm are dissolving partnership and removing from Toronto and bargains will be given from Feb. 13, prior to selling the stock en bloc.

Chronic Coughs and Colds.

And all diseases of the Throat and Lungs can be cured by the use of Scott's Emulsion, as it contains the healing virtues of Cod Liver Oil and Hyposphosphites in their fullest form. "I consider Scott's Emulsion the remedy par excellence in Tuberculous and Strumous Affections, to say nothing of ordinary colds and throat troubles."—W. R. S. CONNELL, M.D., Manchester, O.

TO WHITEN LINEN.—When linen has turned yellow cut up a pound of fine white soap into a gallon of milk and hang it over a fire in a wash-kettle. When the soap has completely melted put in the linen and boil it half an hour; then take it out. Have ready a lather of soap and water; wash the linen in it, and then rinse it through two cold waters, with a very little blue in the last.

Good Wages—a Dollar an Hour

Enterprising, ambitious people of both sexes and all ages should at once write to Stinson & Co., Portland, Maine, learning thereby, by return mail, how they can make \$1 per hour and upward, and live at home. You are started free. Capital not needed. Work pleasant and easy; all can do it. All is new and free; write and see; then if you conclude not to go to work, no harm is done. A rare opportunity. Grand, rushing success rewards every worker.

SALLIE LUNN. Seven cups of sifted flour one half cup of shortening warmed in one pint of milk, salt and yeast; each house-keeper can best judge of the quantity of her own make of yeast; stir well, pour into flat pans and let rise over night. Bake about twenty minutes, or until it will not "stick to a splint." For shortening I use equal portions of good lard and good butter.

Respectfully,

Dr. T. A. Slocum, 37 Yonge Street, Toronto, Ont.

Warranted Seed.

I have founded my business on the belief that the public are anxious to get their seed directly from the grower. Raising a large proportion of my seed enables me to warrant its freshness and purity, as see my Vegetable and Flower Seed Catalogue for 1888, FREE for every son and daughter of Adam. It is liberally illustrated with engravings made directly from photographs of vegetables grown on my seed farms. Besides an immense variety of standard seed will find in it some valuable new vegetables not found in any other catalogue. As the original introducer of the Eclipse Beet, Burbank and Early Ohio Potatoes, Hubbard Squash, Deephead Cabbage, Cory Corn, and a score of other valuable vegetables, I invite the patronage of the public. JAMES J. H. GREGORY, Marlborough, Mass.
