Rheumatism and Neuralgia

These twin diseases cause untold suffering. Doctors admit that they are difficult to cure—so do their patients. Paine's Celery Compound has permanently cured the worst cases of rheumatism and neuralgia—so say those who have used it.

After suffering with chronic rheumatism for several years, I was induced to try Paine's Celery Compound, and after using two bottles found myself greatly improved. In fact, after using three bottles, have not felt any rheumatism. Can conscientiously recommend it. Yours very truly, MRS. P. COWAN, COWANSVILLE, P. Q.

Effects Lasting Cures.

CATARRH.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness, and Hay Fever.

The microscope has proved that these diseases are contagious, and that they are due to the presence of living parasites in the lining membrane of the upper air passages and eustachian tubes. The eminent scientists—Tyndall, Huxley and Beale—endorse this, and these authorities cannot be disputed. The regular method of treating these diseases is to apply an irritant remedy weekly and even daily, thus keeping the delicate membrane in a constant state of irritation, accompanied by violent sneezing, allowing it no chance to heal, and as a natural consequence of such treatment not one permanent cure has ever been recorded. It is an absolute fact that these diseases cannot be cured by an application made oftener than once in two weeks, for the membrane must get a chance to heal before any application is repeated. It is now seven years since Mr. Dixon discovered the parasite in catarrh and formulated his new treatment, and since then his remedy has become a household word in every country where the English language is spoken. Cures effected by him seven years ago are cures still, there having been no return of the disease. So high are these remedies valued, and so great is the demand for them, that ignorant imitators have started up everywhere, pretending to destroy a parasite—of which they know nothing—by remedies the results of the application of which they are equally ignorant. Mr. Dixon's remedy is applied only once in two weeks, and from one to three applications effect a permanent cure in the most aggravated cases. N.B.—For catarrhal troubles peculiar to females this remedy is a specific. Mr. Dixon sends a pamphlet describing his new treatment on the receipt of ten cents in stamps. The address is A. H. Dixon & Son, 303 King Street West, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should carefully read the above.

CORN SOUP.—Boil a quart of sweet milk, and add to it a can of the best sweet corn; strain it through a colander, then return it to the stove and season it with pepper, salt and butter. Let it boil up once, add two tablespoonful of cracker crumbs and serve immediately.

LOBSTER BAKED IN THE SHELL.—Boil the lobster, remove the meat from the shell, put in a saucepan with one-fourth pint rich cream or milk, pepper, salt, and one tablespoonful of butter rolled in flour, and stir it to keep from oiling; when all the ingredients are well mixed, pour them into the shell and bake in the oven until of a light brown colour. Serve hot.

STOP THAT COUGH or it will terminate in consumption. After suffering for months from a cough which, after using many remedies without any relief, threatened to terminate seriously, we were entirely cured by the use of WISTAR'S BALM OF WILD CHERRY. J. G. WESTAFER, Editor of "Chronicle," Elizabethtown, Pa.

ORANGE FLOAT.—One quart water, juice and pulp of two lemons, one coffee-cup of sugar. When boiling, add four tablespoonful of cornstarch. Boil fifteen minutes, stirring all the time; when cold, pour it over four or five peeled and sliced oranges, and over the top spread the beaten whites of three eggs. Sweeten and add a few drops of vanilla.

COCONUT PUDDING.—One large cocoonut, grated, one quart milk, two tablespoonful of white sugar, small loaf baker's bread, and flavouring to taste. Stir the cocoonut into the milk, and add the flavouring and sugar. Use only the inside of the loaf of bread, crumbed fine. Mix the ingredients all well together, bake the pudding half an hour, and serve when nearly cold, with good cream.

WILLIAM ROBERTS, M.D., F.R.C.P., of the University of London, Eng., says: "Passive congestion of the kidneys may be present, in which the urine contains not a trace of albumen, while the symptoms of intense venous congestion, dropsy, orthopnea and pulsating jugulars are present. The urine becomes scanty, high coloured and dense." Warner's Safe Cure has cured thousands of these symptoms, often called diseases by putting the kidneys in a healthy condition.
