PRESBYTERY MEETINGS.

PETERBOROUGH: This Presbytery met in Millbrook on September 22nd. The Rev. J. W. Tanner, of Omamee, was chosen Moderator for the next six months. Interesting and gratifying reports were received from the several mission fields under the care of the Presbytery. The claims for Home Mission purposes were considered, and the amount expected from the Presbytery allocated among the different congregations. Havelock was granted leave to moderate in a call so soon as prepared for the step. Rev. Dr. Torrance was appointed to attend to the interest of Manitoba College in the Presbytery. The following are the standing committees for the current year, and conveners of each, viz.: Home Missions, Rev. E. F. Torrance, D.D.; Augmentation, Rev. John Hay, B.D.; Church Life and Work, Rev. J. K. Smith, D.D.; Sabbath Schools, Rev. R. Hyde; Y. P. Societies, C. S. Lord; Superintendent of Students, D. A. Thomson; Statistics, W. Bennett. A meeting of the Young People's Presbyterian Society was appointed to be held in St. Paul's Church, Peterborough, on the evening previous to the next meeting of Presbytery. The communication from the Prisoners' Aid Society was handed to a committee, consisting of Messrs. Potter, Torrance and Bennett, for their consideration, with instruction to give such reply as they may deem best. The Presbytery approved of the Assembly's remit for reduction of the representation to the Assembly. Mr. Thomson gave notice that he would move at next meeting that the Assembly should have a central place of meeting, that the billeting system should cease, that commissioners be paid out of a common fund at the rate of three cents per mile one way, and \$2 per diem. A motion of sympathy with the congregation of Millbrook was adopted, in connection with the recent loss of their church by fire, and of congratulation at the spirit and energy which they have shown in at once beginning the erection of a new, handsome, and commodious structure.—WM. BENNETT, Clerk.

FREE! We direct special attention to the following remarkable statements

Restored His Hearing in 6 Minutes

My age is 63. I suffered from Catarrh 10 years. Had intense headache, continual roaring and ringing in ears, took cold easily. My hearing began to fail, and for three years was almost entirely deaf, and continually grew worse. Everything I had tried failed. In despair I commenced to use Aerial Medication in 1888, and the effect of the first application was simply wonderful. In less than five minutes my hearing was fully restored, and has been perfect ever since, and in a few months was entirely cured of Catarrh.

ELI BROWN, Jacksboro, Tenn.

I became very hot from over-exertion which was followed by chronic catarrh of the ears, nose, throat and lungs. I lost weight, became short of breath, had severe cough, continual roaring, buzzing and ringing in ears, my hearing failed, and in a short time could not understand any conversation. I used Aerial Medication in '94, in three months could hear common conversation across a room and a clock tick 30 ft. Can say honestly and candidly I am cured and have remained well over a year, and my hearing is still perfect.

THOS. J. GLASS, Estill, Mo.

Am satisfied I had Consumption; had a distressing cough, profuse expectoration, was reduced in flesh and strength. Used Aerial Medication four years ago. It cured me, and I have been well and able to preach ever since.

REV. I. H. HOSKINS, Reed, Tex.

Medicine for 3 Months' Treatment Free.

To introduce this treatment and prove beyond doubt that Aerial Medication will cure Deafness, Catarrh, Throat and Lung Diseases, I will, for a short time, send Medicines for three months' treatment free. Address,

J. H. Moore, M.D., Dept. B.1., Cincinnati, O.

**ARE YOU READY
FOR THE WINTER?**

There is nothing better than

OXFORD

Boilers and Radiators

For hot water or steam to provide an even, healthful warmth in any building—in any weather.

The Boilers are powerful, very economical with fuel and simple to manage.

The Radiators are an ornament in any room, are made in all possible sizes and styles and have the only perfect joint—iron to iron—they can't leak.

They always give satisfaction.
