

WE ARE MANUFACTURING

Rigby Waterproof Overcoats & Trousers

Made of suitable Tweeds, which we can confidently recommend to the Public as superior to any Rubber or Macintosh garment, being WATERPROOF and at the same time porous and therefore not injurious to health.

These garments are not different in appearance to ordinary overcoats and trousers, but when the rain comes the wearer will be protected as thoroughly as by the heaviest rubber coat, and without that clammy feeling well known to wearers of rubber and macintosh garments.

RIGBY HAS BEEN TESTED, AND HAS PROVEN TO BE THOROUGHLY WATERPROOF, and at the same time soft and pliable. It is also economical, serving the purpose of two garments. Buy it, test it, and you will never wear another rubber coat.

For sale to the trade.

H. SHOREY and Co.,

1866 NOTRE DAME STREET, MONTREAL.

**Self Reliance.**

Help yourself and you will either have others help you—or go up for thirty days. Reliance upon others is not to be recommended, but "The Reliance Cigar" sold by Tasse, Wood & Co., is to be strongly recommended. The trade in British Columbia cedar shingles is rapidly growing and the demand from eastern points, and especially in the Territories and Manitoba, is rapidly increasing. H.H. Spicer, successor to Slater & Co., Vancouver, a large manufacturer, has just completed enlargements to his mill whereby the capacity is increased to 160,000 shingles per day. He has a stock of five and a half million shingles on hand and 1,000 cords shingles bolts, making eleven million shingles in sight.

At the annual meeting of the shareholders of the National Electric Tramway and Lighting company, there were about 9,000 shares represented. The annual report and balance sheet showed a credit for the year of \$19,000, the receipts for the same period being \$78,000. The directors were authorized to issue \$100,000 worth more stock at \$10 per share. The old directors were re-elected.
