

Chairman,—

Mr. Geldart and Mr. Larmour, I wish to extend to you the vote of thanks of the Club for your kindness in coming down to-night, and I trust you will convey to Mr. Patterson our sincere thanks for his share in the matter. In order to show our appreciation, we trust you will all come down and attend our picnic at Jackson's Point.

Mr. Geldart,—

I thank you on behalf of Mr. Patterson and Mr. Larmour for the vote of thanks. As I said before in starting out, if I have made the working of these tools clear to you, I feel amply repaid, and I am sure that Mr. Larmour feels the same.

Proposed by Mr. Baldwin, seconded by Mr. Duguid, that the meeting adjourn. Carried.
