

# NOTICE.

**THE SUBSCRIBER,**  
General Agent for  
the District of Gaspé,  
for the Sale of the GRÆ-  
FENBERG COMPANY'S  
MEDICINES, informs the  
Public that at length  
he has received, after  
considerable delay, di-  
rect from New York, a  
consignment of the

Company's celebrated compound  
**EXTRACT OF SARSAPARILLA,**  
PRICE, \$1 PER BOTTLE.

The deserved estimation which this Medi-  
cine has so justly attained, has induced nume-  
rous persons to the dishonest system of imi-  
tating the Company's Preparation of Sarsa-  
parilla, but the deception is easily found out.

As a purifier of the Blood, SARSAPARILLA  
is highly efficacious; and in almost all the dis-  
orders to which human nature is liable its be-  
neficial effects are great.

The well known and highly respectable  
character of the gentlemen connected with  
the Græfenberg Company, (now chartered by  
the State of New York), is a sufficient guar-  
antee, that nothing spurious or useless should  
be honored with their Seal, and the General  
Agent considers himself bound to recommend  
the same to the District of Gaspé.

In the years 1832 and '31, during the pre-  
valence of the devastating Cholera, SARSA-  
PARILLA acquired additional recommenda-  
tion; for it is a well attested fact, and every  
Medical writer on the subject has admitted it,  
that those persons who had been in the habit  
of using Sarsaparilla, were not liable to be at-  
tacked by that dread disease.

One Bottle of the above is equal in strength  
to four of those generally sold, and can be re-  
duced so as to make a very pleasant daily be-  
verage.

To ladies, both married and single, it is re-  
commended as a highly important Medicine:  
In certain cases it is invaluable.

The Local Agents throughout the District  
are informed, that as soon as the roads are in  
good order, a quantity of the above shall be  
forwarded to them.
