

years a few firms have been manufacturing and selling a plastic dressing under the name of Denver Mud, frequently misleading purchasers, who, in calling for our product under its nickname, have not received the original preparation.

In view of this, we brought suit against the Colorado Chemical Co. of Chanute, Kansas, which has recently been decided. A great amount of testimony was taken in St. Louis, Kansas City, New York and other parts of the country, defendant's counsel attending and cross-examining complainant's witnesses. After contesting the case to its conclusion no reason was presented by defendant on final hearing why a decree should not be entered in this Company's favor, and, on the testimony, a decree was granted accordingly. By the perusal of this decree which you will find opposite, you will see that we have been granted all that was claimed in our bill.
