Berkeley, Sept. 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking Norton's Camomile Pills. I applied to your agent, Mr. Bell, Berkeley, for the above-named Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without deriving any benefit at all. After taking two bottles of your valuable pills I was quite restored to my usual state of health. Please give this publicity for the benefit of those who may thus be afflicted. I am, Sir, yours truly, HENRY ALLPASS.—To the Proprietors of Norton's Camomile Pills. 10-14-19-22w-2.

THE SUN.
DAILY AND WEEKLY FOR 1875.

The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully and fearlessly. THE WEEKLY SUN has now attained a circulation of over eighty-five thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power. THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always well treated in a clear, interesting and instructive manner. It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and neatly printed.

The Agricultural Department is a prominent feature in the WEEKLY SUN and its articles will always be found fresh and useful to the farmer. The number of men independent in politics is increasing and the WEEKLY SUN it their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knives, and seeks no favors from their supporters. The markets of every kind and the fashions are regularly reported. The price of the WEEKLY SUN is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the WEEKLY SUN at this rate. Any one who sends one dollar and twenty cents will get the paper, postpaid for a year. We have no travelling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discount from this rate. THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription postage prepaid, 55 cents a month, or \$5.50 a year. To clubs of 12 or over, a discount of 25 per cent. Address, "THE SUN," New York City. 11-10-6-115
