

NEWS AND NOTES.

An Australian not long since paid \$15,750 for a ram.

Continuous wheat-growing without manure has exhausted the once fertile fields of southern Australia, so that they are now almost worthless.

The one-cent revenue stamp is about all the value there is to the large packs of horse and cattle powders now sold. It you want a strictly pure article get Sheridan's. They are immensely valuable.

The best education in the world is that got by struggling to get a living.

No other medicine has won for itself such universal approbation in its own city, state and country, and among all people, as Ayer's Sarsaparilla. It is the best combination of vegetable blood purifiers, with the Iodide of Potassium and Iron, ever offered to the public.

Salt and water is good for the catarrh when inhaled through the nostrils.

Consumption.—There is no disease so insidious as this,—the peculiar look, the wasting of flesh, the loss of strength, the hectic flush, the cough,—all these symptoms are overlooked through the hopefulness of the patient. As these symptoms are caused by excessive waste of the phosphoric element, use *Eagar's Phospholeine*.

The Court of Appeal at Turin has finally refused to admit women to act as advocates, such a proceeding being contrary to custom and forbidden by statute.

The importance and value of *Johnson's Anodyne Liniment* to a family cannot be estimated in dollars and cents. It is both for internal and external use and will prevent and cure diphtheria and all dangerous throat and lung troubles.

Wm. H. Vanderbilt owns \$47,000,000 in United States registered four per cent bonds, a draft for the interest on which is mailed to him quarterly from the Treasury.

A clear head is indicative of good health and regular habits. When the body feels heavy and languid, and the mind works sluggishly, Ayer's Cathartic Pills will wonderfully assist to a recovery of physical buoyancy and mental vigor. The constipated should use them.

Successful experiments in tea-culture at Soukhoum have led a St. Petersburg society to advocate the general cultivation of the tea plant in the Caucasus. The society believes that Russia might soon compete with China and India in supplying the western countries with tea.

For Cramps, Pain in the Stomach, Bowel Complaints or Chills, use Perry Davis Pain Killer. See advertisement in another column.

Lord Coleridge says that every educated speaker of English uses at least three different languages. When he talks, he uses colloquial English; when he writes, he uses literary English; and when he reads his Bible he uses an antiquated form of English, which, from its relations to modern culture, may almost be called sacred English.

I HAVE MADE A SERIOUS MISTAKE, and did not discover it until I had taken the first bottle of BUDD'S CREAM EMULSION, when I found that all other preparations that I have taken were not to be compared with Budd's, both in their appearance and their effects. It is pleasant to the taste, and is, without doubt, well prepared. I shall always use it in preference to any other. Every family and house should not be without a bottle of Budd's Cream Emulsion. It will save you a long doctor's bill. It is the best and cheapest family medicine known. Price 50 Cents, large bottles.

The Times in an editorial on the departure of Lord Lorne from Canada, is very flattering to the Dominion. The conduct of the Marquis of Lorne during his term of office is warmly eulogized, and Canada's prospects spoken of in glowing terms, the Dominion being described as loyal and law-abiding, the least costly and least troublesome, and yet the greatest of Britain's colonial possessions.
