

Take it in Time.

Ayer's Cherry Pectoral is a highly concentrated and powerful medicine. It is an anodyne expectorant, and, if promptly taken, in cases of Coughs, Throat or Lung troubles, soothes and heals the irritated tissues, and quickly allays all tendency to Consumption.

Six years ago, I contracted a severe Cold, which settled on my Lungs, and soon developed all the alarming symptoms of Consumption. I had a Cough, Night Sweats, Bleeding Lungs, Pain in my Chest and Sides, and was so completely prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am now as well and sound as ever.—Rodney Johnson, Springfield, Ill.

I have used Ayer's Cherry Pectoral in my family, for Colds and Coughs, with infallible success, and should not dare to be without this medicine through the winter months.—Russel Bodine, Hughesville, Lycoming Co., Pa. †
