Business Permanency

One of the greatest contributors to the permanency of a business is partnership insurance.

A North American Life partnership policy will establish a high degree of credit, and safeguard your business in any eventuality, be it financial stringency or death.

The numerous advantages which this form of policy offers will be explained by any representative, or upon direct communication with

North American Life Assurance Company

"SOLID AS THE CONTINENT."

Head Office: **TORONTO, CANADA**

The Ascendency of the Mutual System

Mutual Life Insurance Companies issue seventy-five per cent. of all the policies written on this continent.

The most progressive companies in the whole world were either mutual from the beginning or have afterward been mutualized.

Therefore The Mutual Life of Canada sells the most modern and the most popular type of life insurance contract.

You have not secured **the best** in life insurance unless your policy is a **mutual** policy.

Mutual Companies are democratic. The entire assets are the property of the policyholders and the control of the Company belongs to them.
