Judge them in the only way—their constant upward progress for eleven years past. Made by the largest Radiator Manufacturers under the British flag—hence, faultless in construction.

Handsome—durable—unique in the quick, free, perfect circulation they yield—one minute does it. Absolutely tight at every connection—screw nipples. They can't burst, because the openings are of generous size. Agencies at Montreal, Quebec, St. John, N.B., Winnipeg, Vancouver, Auckland, N.Z., London, Eng.
