The Startling Experience of Mr. Isaac
Briggs, of London—A Sufferer for
Four Years—His Lodge Came to
the Rescue After Doctors Had Falled—
He is Again Able to be Out.
From the London Free Press.

The home of Mr. Isaac Briggs, at 501 The nome of Mr. Isaac Briggs, at 301 Charlotte St., this city, is one of the most prettily situated and well kept of the many homes of the workingmen of London. The front is carefully boulevarded, and at the side and rear of the cott-see home is a lattice work covered with age home is a lattice work covered with vines, and there is also a garden. Within View are the fields and woods, and in fact there was nothing needed upon the occasion of an autumn afternoon visit to make the lot of a sick man amid such

Surroundings as pleasant as possible.

And so it was not to be wondered at that Mr. Briggs was found in a cheerful mood. But a conversation with the gen-tleman revealed the fact that there were Very good leasons why any man under the same circumstances, and enjoying the same bright hope, could not but allow his face to beam forth with what he felt. The story as told will be found most in-teresting, and that it is absolutely correct there are many of the friends of Mr. Briggs will testify, should such testimony be needed. Mr. Briggs has been an invalid for four years and has been un-Weil and under medical treatment for eight years. It was in 1885 that he first felt the twinges, the aches and the pains that foretold trouble. He secured medical attendance, and learned that his liver was out of order, his kidneys were bad and that he suffered from dyspensia. However he worked along for nearly four years, when the terrible malady affected his system in a way painful to relate. It came directly after an attack of "the grip." Mr. Briggs was yet in his "fifties," and to all appearances was a well preserved a d strong man. But almost without warning the joints in immovable as though they had been padlocked, and the strong man became as helpless as a babe. Many doctors were consulted, and they all promised relief, and occasionally a slight relief did for gave a mission to the children of relief and occasionally a slight relief did for gave a mission to the children of the chil relief, and occasionally a slight relief did come. But it was only temporary, and the unfortunate man in consequence of these relapses, was gradually loosening his hold noon hope. The days were long time from the parish and on Maunday Thursday, when he again officiated, upwards of sixty of them made their Paschal Communion. Father Randin officiated munion. his hold upon hope. The days were long and weary that he spent upon his bed, with the dismal prospect ahead of being held a close prisoner, to be released only by death

medical skill. They had given a trial Week Father Fox conducted a Triduum to some of the foremost practitioners of the city, but always with the same of the Faithful Companions of Jesus, who are now eight in number, and have a most flourishing school, which is attended by many Protestant children.

Briggs is a member, proved just at this Table, accompanied by a great many of juncture to be a friend indeed. During the congregation. After Vespers a banall his illness the brethren had looked quet was given to the members of the carefully after his wants, and had been Very attentive, and no one regretted more than they the unhappy prospect. One night the court was discussing the case when it was suggested that Pink Pills should be tried. Stories had been told of what they had effected in other the court agreed to present one dozen boxes of the pills to Mr. Briggs. The attending doctor told his patient that the pills were only good for cases of paralyis, but he consented to their being given a trial as a last hope. Accordingly Mr. Briggs began taking them. Very soon a change was noticed. He grew more cheerful and suffered much less. His whole system seemed to be awakened to new life, just as was the world out-

With renewed strength came renewed hope, and the invalid began to look upon Pink Pills as his deliverer. In a month he was able to leave his bed, and he did so with a thankful heart. Only those who have been forced to undergo long confinement between bedelothes can realize the pleasure and joy there were in that first day spent in the neat little parlor, seated in a big armchair beside the window, where the sun sent In its warm bright rays. Since then Mr. Briggs has been about daily. He uses crutches yet, but he grows stronger every day. Now he can use his hands, cessation of the pains, too, a most pleas-

looking.

Mr. Briggs has only used twenty

cost of \$10. Cerboxes of the pills, at a cost of \$10. Certainly his bill for medical attendance shows a marked decrease.

street, who is also secretary of Court Forest City, was also interviewed with respect to the case, and his statements were all confirmatory of what Mr. Briggs had said. He said he had a tremendous sale of the pills. No other similar med icine ever approached the same demand. Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and the tired feeling therefrom, the after effects of la grippe, diseases depending on humors in the blood such as scrofula, chronic erysipelas, etc. Pink Pilis give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising the property of the p arising from mental worry, overwork, or

excesses of any nature.

Bear in mind Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all dengates or direct by mail from

of all druggists or direct by mail from Dr. Williams' Me wine Company from either address, at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

Children

must have proper nourishment during growth, or they will not develop uniformly. They find the food they need in

Scott's Emulsion

There is Cod-liver Oil for healthy flesh and hypophosphites of lime and soda for bone material. Physicians, the world over, endorse it.

Thin Children

are not known among those who take SCOTT'S EMUL-SION. Babies grow fat and chubby on it, and are good natured because they are well.

Rat Portage Notes.

The Rev. Father Fox, O.M.I., late pastor of St. Mary's, Winnipeg, took up his abode in his new quarters on the 16th of last month. On the following day, Passion Sunday, he commenced an eight days' mission for the congregation at Rat Portage, which was largely attended throughout. He was also present at an extraordinary meeting of the C.M.B.A., when their General Communion was fixed for Easter Sunday. On St. Patrick's Day he sung the High Mass and preached the panegyric of the Apostle of Ireland. The deacon or that occasion was the Rev. Father Poitras, and the subdeacon, Father Dorais.

On Palm Sunday the Rev. Father Baudin arrived home after some months The family, too, began to lose faith in man. During the last three days of Holy week Father Fox conducted a Triduum

but in vain. Then about Christmas tide came news that had almost been expected. Mr. Briggs had not long to live, the doctors said. Gradually he grew weaker, until early in the spring so seriously ill did he appear to bethat the end was daily looked for.

Court Forest City, A.O.F., of which Mr. Briggs is a member, proved just at this Table accompanied by a great many of

choir in the large hall in the school. The congregation at Rat Portage is increasing rapidly, and we anticipate that the church, which is already a spacious one, will soon be found too small for all who wish to attend the services. Many converts have been received into the cases. Then why not in this? Finally Church. Father Baudin baptised two of these on Easter Sunday.

Whitewood Notes.

On Easter Sunday High Mass was celebrated at the Church of St. Hubert in the French colony ten miles south of Whitewood. The Rev. Father Roy, of Qu'Appelle Station, officiated. There was a large congregation present, inclued to new life, just as was the world out-side, for it was the glad spring-time of colony, besides several Catholics from a distance of ten to fourteen miles. Dumont's "Royal Mass in F" was rendered in a very creditable manner by the choir, who, considering the little time for practice they have had, deserve great praise. The "Kyrie" was especially well rendered, and an "Ave Maria," sung by three voices, was much appreciated. There is no doubt we have material for an excellent choir in this district if we could have Mass a little more trequently than we do at present.

On Monday morning the Rev. Father Roy heard confessions from six to nine o'clock, after which he said Mass, when a large number partook of the Blessed eating with a knife and tork, and the loints continue to grow looser and pliable, giving only a faint idea of the veritable knots into which those of the bands and feet were tied. There was a hands and feet were tied. There was a that settlement. On his return he will again say Mass in the French colony, when those who had not the opportunity ing fact to the invalid—and the blood vessels that had become lost to view and dried up are now quite healthytunity.

Mrs. Languish. "Tired! Oh, so tired all the time!" Mrs. Smart. "Well, I used to be until I began to take Ayer's Sarsaparilla as a spring medicine, and now I don't know what it is to have that now I don't know what it is to have that tired feeling. Try it, my dear; only be sure you get Ayer's." Mr. E. W. Boyle, druggist, 652 Dundas
