OCCASIONAL PAPERS

The Institute publishes a number of Occasional Papers each year. These monographs aim for both scholarly excellence and policy relevance, and deal with the subjects that fall within the areas defined in the Institute's mandate.

BACKGROUND PAPERS

This series is a medium for timely analysis, in a non-academic style, of major events and emerging issues of peace, conflict and international

relations. In some of these, authors are encouraged to incorporate their own personal viewpoints in the presentations.

WORKING PAPERS

Working Papers, the result of research work in progress or the summary of a conference, are often intended for later publication by the Institute or another publisher, and are regarded by CIIPS to be of immediate value for distribution in limited numbers – mostly to specialists in the field. Unlike all other Institute publications, these papers are usually published in the original language only, with a translation of the abstract.

FACTSHEETS

Factsheets provide short synopses of current issues in arms control, disarmament, defence and conflict resolution, and outline the historical context for contemporary events. The series is intended primarily for senior secondary students and teachers.

DIRECTOR'S ANNUAL STATEMENT

Once a year, the director of the Institute takes stock of the major events and trends in the areas of peace and security, and their implications for Canadian policy.

ANNUAL GUIDE

The Guide, published annually, provides a basic reference source on Canadian policies in the field of peace and security. It seeks to identify the major policy issues to which Canada responded in the year, place them in context, and, where appropriate, cite a range of Parliamentary comment on these issues.

ANNUAL REPORT

The Annual Report sets out for Parliament and the people of Canada the record of activities and financial statements of the Institute for each fiscal year.

PEACE&SECURITY MAGAZINE

Peace&Security is a quarterly magazine published since Spring 1986 to let Canadians and others know what the Institute is doing, and to provide a forum for the full range of Canadian viewpoints on issues of peace and security.
