SELECT MARKET INFORMATION

The following contacts can provide you with valuable information for export market preparation and development.

The InfoCentre offers a range of information to assist you — whether you're already exporting or just entering the export market. You can access over 1500 market studies and get information on export opportunities, programs, and services — all in a format that best suits your needs. You'll also find a wide selection of publications on trade, investment and foreign policy.

Contact:
