(a) Office of the Chief Electoral Officer to Standing Committee on Privileges and Elections.

Department of Transport to Standing Committee on Transport and Communications.

Department of Trade and Commerce to Standing Committee on Finance, Trade and Economic Affairs.

Mr. Starr: Agreed.

BUSINESS OF THE HOUSE

Mr. McIlraith: Mr. Speaker, in reply to the question asked by the hon. house leader for the official opposition, on Friday we propose to call interim supply and the final supplementary estimates for the current fiscal year; not necessarily in that order.

Mr. Starr: For what period of time is the interim supply being called?

Mr. McIlraith: For three months; it is usually for three months at the start of the year—April, May and June. I believe that is the custom according to precedents.

I must explain that the question arises from petitions made by members of the Canadian Federation of Agriculture, specifically so far as I am concerned by members of that organization representing the province of Ontario.
