RECYCLING OF METALS, GLASS AND PAPER

Question No. 3,005—**Mr. Mitges:**

What government departments are engaged in recycling metals, glass and paper?

**Mr. John M. Reid (Parliamentary Secretary to President of the Privy Council):** The Crown Assets Disposal Corporation has a contract with Florence Paper Company, Ottawa, for the removal of waste paper from some government buildings in the National Capital area. The Florence Company segregates all waste paper through a screening operation at their plant and all useable paper is delivered to companies where it is recycled.

None, however, the Department of the Environment is initiating a program for solid waste management, which will encourage and assist the development of methods to recycle valuable materials including metals, glass and paper. The Department of Energy, Mines and Resources reports research work is in progress in connection with the recycling of tin cans as feed material for steel castings.

CONSTITUENCY OF ELGIN—COST-SHARING OF SHORELINE PROTECTIVE WORKS

Question No. 3,012—**Mr. Wise:**

1. With what property owners along the Lake Erie shoreline in the constituency of Elgin has the government in the past ten years signed an agreement for cost sharing of shoreline protective works?

2. What were the percentages of these cost-share agreements?

3. What was the total amount in each instance?

4. On what dates were these agreements signed?

**Hon. Jean-Eudes Dubé (Minister of Public Works):** 1. There are no signed agreements as such. The Treasury Board authorized the Department of Public Works to contribute towards the actual cost of remedial works to prevent erosion with the following property owners in the Constituency of Elgin. (a) Miss Fern Hill; (b) Miss Dorothy E. Markle, Miss D. Gunn, Mr. J. Hare, Mr. J. McManus and Mr. L. Pocock acting as a group under the title Markle & Hare; (c) Thomas Purdom; (d) Leopold
