

1861. Rifle Association

The number and the amount of the prizes may be very considerably increased should the Association be sustained by the Militia, the Merchants, the Mechanics and the Professional Gentlemen of the District; and should the amount of funds warrant the expenditure, it may be thought advisable to hold matches this autumn in other parts of the District, say Whitby, Barrie, Newmarket, and Streetsville.

The Committee of Management will publish at an early day the rules under which the Shooting will be conducted, which rules will be framed, as nearly as may be, according to those of the National Rifle Association of England.

Your attendance is requested at a Meeting, which will take place at the Grand Jury Room, in the Court House, Toronto, at Eleven o'clock, a. m., on Thursday, the 3rd day of October next, where the Committee of Management will be assembled. The Subscriptions which you may be able to collect you will be pleased to forward to me at Toronto, not later than Saturday the 28th of September instant, and you are particularly requested to solicit the Officers and men of the Militia and others resident in your vicinity, to become members of this Association.

I have the honor to be, Sir,

Your obedient servant,

W. B. JARVIS,
