Barlett of Parkdale, Dopp of T.C.C. and Dennison were the stars, and on them fell the brunt of the work. For the losers Gooch of T.C.C., Waugh of T.C.C. and McCamus of St. Michaels were in the limelight and they struggled gamely, but were unable to stem the tide. Canada Life opened up the scoring when McCamus slammed in a rebound. After that the red shirts faded and Kodaks had made it 4 to 1 at half time. Brown was hurt early in the first half and Smith went off to even up and the game was finished with six men a side. The second half was very rough and the final score was 6 to 2. Ty Cobb Asks For Game With Leafs - Three Men Still Absent - Working

Indoors.

MACON, Ga., March 19.—(Can. Press.)
—Basketball, handball and baseball composed the Toronto Leafs' program today. Even had there been a suitable outside diamond on which to work, rain would have interfered. The armory of the local company of the Georgia National Guard, with its courts for basketball and handball, provided an acceptable place for indoor work. Empty cotton warehouses and the winter quarters of a circus, with animals in their cages, around the sides, were examined before it was determined to work in the armory. The plate, the pitching box and first base at the Macon Club's Park, became visible today, when the water from the overriowing river receded, but the field will be left with a slimy coating of red clay and sand. It may be possible to do a little work in the ball park enclosure towards the end of the week.

Ty Cobb telephoned to Manager Kelley this ovening, asking for a game here next Tuesday between the Leafs and Cobb's Georgia All Stars.

George Stallings of the Boston Nationals phoned over from Athens proposing a trade of Outfielder Kaiser for Al Shaw. Pitcher Dube, the Holy Cross College twirler, has asked for transportation to Macon. Kelley has three young pitchers, in Herbert, Brennan and Kubat, with Hearne to come, and will not send for Dube. Outfielder Hub Norten arrived here tonight.

Nothing has been heard from Graham, Holly or Jerdan.

here tonight.

Nothing has been heard from Graham, Holly or Jordan.

Should tonight's rain continue, the Leafs will work in the armory tomorrow. There is little hope for an immediate cessation of the present wet spell. The Canadian Press secured the following statement from the Central Georgia Weather Bureau here tonight: "The storm which has prevailed in this district for the past forty-eight hours has not changed its location, other than to become more general, and is apt to cause rain in the south for the next two or three days. It is impossible to say how heavy these rains may be, but, with the already swollen condition of the Ocmulgee and other rivers and the saturated condition of the soil, it would be prudent to be prepared for any emergency."

President McCaffery has not heard anything from Tim Jordan, and, as he has not reported at Macon, it looks as if the big fellow intends to stay out. He will be given a few more days' leeway, and if he fails to report a first-sacker will be secured from a big league club.

Beat Canada Life Out For

The Toronto Club have run into a snag at their training camp this spring, with rivers overflowing and heavy rains, that have made their diamond in Macon a small lake. It is hardly likely that the Leafs will be able to Leafs will be able to get on the diamond at Exhibition Park, Macon, within a week, but this will be the last year that the Leafs will be under this handicap.

Manager Stallings of the Boston Nationals, last year with Buffalo, has written for President McCaffery making him a proposition to have the Boston and Toronto Clubs train together next aprings to the Alerts.

Sanctions were granted to the St. Law-rence A.C. of Hamilton for an assault-atarms on March 28; to the Alma A.C. of Buffalo for games at Crystal Beach, Ont and a Life battled for the same Kodaks and Canada Life battled for the senior honors and the game became a synthesis.

A new million-dollar hotel, named the Dempsey, has just been opened in Macon, and the two clubs would make their head-quarters at this palatial hostel. Both would benefit by playing practice games every day, instead of the camp routine that has been in order in years past. The scheme takes President McCaffery's fancy, and it is more than likely that he will close with Stallings at an early date.

Eddie Fitzpatrick played grand ball in the utility role last year and should get first call on a steady job, but if the new man that the Toronto Club expects to get can show more than the "Little Giant," he will get the job.

Bradley is showing old-time form at the camp, and the third corner is in no danger. Amby McConnell can be relied on to look after second, and it only remains for Jordan to get in line, and the infield will be rounded out.

The "Big Three" of the hurling corps are on the job, in Lush, Rudolph and Maxwell, and if a couple of the youngsters show the stuff the pitching staff will be complete.

Peaches Graham is another to have turned in a signed contract, but has not as yet reached the stamping grounds. He is sure to be on the job, and, with Bemis and Trout, the youngster from the Canadian League, already in Macon, the Leafs have nothing to fear in the re-ceiving end.

With Northen reporting, the outfield is

The Leafs go to Athens, Ga., next week to play George Stallings' Beancaters a three-game series. This will be the champions' first games of the season, and by that time Manager Kelley hopes to have a representative line-up working. Pittsburg Third-Sacker Was Knocked Unconscious -May Never Play Again.

HOT SPRINGS, Ask.. March 19—500 Byrne, third-baseman for the Pitisburg Nationals, was struck on the head by a ball pitched by Joe Wood today, knocked unconscious, and tonight his condition is regarded as serious. Physicians state it may be several days before they can determine whether he will play again. Byrne was at bat in the second exhibition game between Pitisburg and Boston, when he was hit. The ball struck him high on the head and glanced over the stand behind. Physicians say if it had struck him lower, where the head would have received the full impact of the speed of the Boston pitcher, he would probably have been killed. He was hurried to a hospital, and later removed to a hotel. Boston won the game, 7 to 2. Pittsburg won the first game of the series. Seven more games will be played.

Gibson's home run, which scored a runner ahead of him, gave Pittsburg their only runs. For Boston, Hall made a home run. Speaker drove out three long hits, and on his fourth appearance at the plate was given his base on balls. Score:
