# **APOCALYPSE**

Received with unanimous favor by all classes during its representations last week, and pronounced by all to be the most sublime and startling series of Tableaux ever presented to the citizens of St. John,

**SHOWING WHAT ST. JOHN SAW**

**When a Door in Heaven was Opened,**

And ending with the Visions of the

**DAY OF JUDGMENT AND THE NEW JERUSALEM!**

This Extraordinary Exhibition most faithfully sustains the opinions of Rev. ALBERT BARNES, author of Barnes' Notes on the Book of Revelation; that these Visions would make the most startling Paintings ever produced.

For Eighteen Hundred Years the Book of Revelations, and the visions which St. John saw upon the Isle of Patmos on the Lord's day, have excited wonder and admiration—and now, in the Nineteenth century, the bold conceptions and ready pencils of Dora Martin, Hanby, and other Artists, tracing in these Divine writings, marvellous and grand subjects for their genius have presented them to the Christian and the Sinner these marvellous symbols which speak of time and eternity.

The series of Tableaux lately added, comprising new designs of the
