Racing men have circulated a petition in New York City favoring the Gittins bills at Albany, and have secured the signatures of hundreds of persons. The petition will be forwarded to Governor Dix. Within the past week 10,000 letters have been malled to the governor asking him to favor this letterism. him to favor this legislation. These methods were employed, it is said, to outset the letters and postal cards mailed at the instance of a professional reform organization.
