The actual cost of a Bey's suit is really a small considera-tion compared with the life and good wearing qualities of it. We have found by experience that cheap clothing for boys will not make good customers for us. Therefore we handle nothing in our boys' department but what we can guarantee and are prepared to stand behind, so that when you buy boys' clothes here you know that you are liable to get them. right with prices no higher than you pay for the cheaper grades elsewhere.

miles. Much of the good land in the thirty miles of territory situated back from the water is not available on account of lack of roads. The government should devise a comprehensive plan and adopt the contract system. The present method is unbusinessilke, unsatisfactory and wasteful.

"We realize that Mr. Whitney's government cannot do everything at once.

It has made a grand record in changing backward conditions, elsewhere, and we look with the greatest confidence, when the premier gets time, to see him change conditions in Algoma."

At the Rossin.

The deputation are making the Rossin house their headquarters during their stay in the city. They will form a procession at 10.30 o'clock in the morning and march to the parliament building and Premier Whitney and his cabinet will receive them at 11.45. The legislative committee of the local, Labor Council will meet to-night and discuss the advisability of applying to the government for a regulation empowering city councils to prevent minors from driving vehicles.

The committee also favors a law which will make it compulsory for all civic councils to grant bylaws carried by referendum.

HAMILTON HAPPENINGS N POWER COMPAN

Shareholders Will Get \$18 a Year Instead of \$3—Canadian Club Dinner.

Canadian Club dinner held at the Hotel Royal this evening was a great ccess. There were nearly two hundred guests present. H. H. Smith, the president, was in the chair, and among the guests were Henri Bourassi, Hon. A. B. Morine, C. N. Smith, M.L.A., Alian Studholme, M. L. A., Mayor Stewart and W. Wallace Bruce, manager of the Hamilton branch of the Sovereign bank. Mr. Bourassa was the speaker of the evening and he replied to the toast "Canada." He said Hon. Jos. Chamberlain's program would break up the empire quicker than anything he knew of. He spoke against the imperialistic idea, claiming that Great Britain was not in a position to defend Canada against the United States. C. N. Smith spoke to the toast, "Our Province," and Mr. Morine to the toast "Newfoundland," By a premature explosion of dynamite on the Brantford and Hamilton raliway this afternoon, P. Ristach, an Italian laborer, was badly injured.

The city hospital governors met this afternoon and passed estimates, calling for an expenditure of \$59,000.

Several financiers outside of the city will have places on the directorate of the Dominion Power and Transmission Company. Col. Gibson says they will represent financial concerns and not other raliway or power interests. The holders of common stock in the old Cataract company make well out of the new deal. They have been drawing dividends at the rate of \$3 a year on each share. In the new company, with 6 per cent, guaranteed for the first three years and 7 per cent for the next two, which means that where they have been getting \$3 a year on each share. He advocated as a great strengthening element for the Conservative party at the next elections the electing of Conservatives on municipal boards and councils. In his own county there was not one Liberal represented in the county council, and altho South Ontario had always been considered a Liberal stronghold there were now two Conservative members representing its in-

terests.

Dr. Noble considered that because Toronto was so unmistakably Conservative was no reason that the party should remain apathetic. The Liberals were organizing in such a manner that no stone was being left unturned to increase their number, power and influence, and he would advise like organization among all the branch associations of the Conservative party.

Controller Hocken endorsed the previous speaker's remarks, and said that likely Toronto would be called upon to send eight members instead of four at
