SYSTEMATIC FORESTRY MOVEMENT ADVOCATED

Ottawa Convention Urges Planting of Trees on Waste Lands and Western Prairies.

Ottawa, March 15 .- (Special.) -At the forestry convention this afternoon, a number of important resolutions were passed, the effects of which are as fol-In the older settled districts, great

benefits would be derived from a systematic movement to reforest large tracts of land which are lying waste in the agricultural districts. Therefore the government, federal and

provincial, should be urged to encourage, both by instruction and by giving facilities for obtaining suitable nursery stock, a more general interest in tree planting. Such efforts should be extended to the prairie regions Attention is called to the danger from

permanent wood lot. A special exploration of the resources of the districts north of the Saskatchewan should be undertaken. Too small an expenditure is made for

the protection of the timber resources of the country in proportion to their value when compared with rates of insurance paid on other public property. Special means should be taken for the reservation of the forests or water sheds so as to conserve thruout the year the equable and constant flow of the streams dependent thereon. Imported forest trees and forest tree

HAD THIRTY-TWO BOILS ATONETIME

Two Bottles of Burdock Blood Biters Cured Him.

Imperfect organic action makes bad blood, so, too, bad blood, in turn, makes imperfect action of every bodily organ. If the blood becomes impure, poisoned or contaminated in any way from constipation, biliousness or any other cause, some especially weak organ must soon become diseased thereby, or the whole system may suffer in consequence

Pimples, boils, blotches, ulcers, festering sores, abscesses, tumors, rashes or some serious and perhaps incurable blood disease may result. There is no medicine on the market to-day to equal the old and wellknown remedy,

BURDOCK BLOOD BITTERS

for all cases of bad blood.

Mr. Ernest B. Tupper, Round Hill, N.S., says: "I think Burdock Blood Bitters a great medicine for boils. I had them so bad I could not work. I had thirty-two on my back at one time. I used only two bottles of B.B.B. and they completely cured me. I cannot recommend it too highly." Price \$1.00 per bottle or 6 bottles for \$5.00

MEN, READ

Read what Mr. Edward A. Wolf, Chesley, Ont., says:-Dear Sir.—I have been completely cured with your Belt of the trouble I had before I tried your Belt. I have never felt or seen any signs of it returning since the few days before I got your Belt about four years ago. I am quite satisfied that I have received full justice for my money and have proved to many neighbors by the old trouble not returning that I have been truly cured by your Belt. I consider that I am cured to stay cured, and must say that I thank you with my whole heart for the one misery you banished from me.

Mr. Henry Dicker, Coulson, Ont., says:—"I am well satisfied with the results of your Belt. I have quit wearing it now as I am feeling all right again and am able to do a fair day's work without that tired feeling, aching hips and legs, which troubled me so much; my appetite is really good and I have no stomach trouble as before."

What would you give to have your old vim back again? What would you not sacrifice to feel as you did a few years ago; to have the same snap and energy, the same gladsome, joyous, light-hearted spirit and the physical strength you used to have? You know you are not the same man, and you know you would like to be. You might as well be. It's easy. I am making men out of wrecks every day, and I can make you as good a man as you
